TOGETHER WITH all improvements now or hereafter erected on the Property, and all easements, appurtenances, and fixtures now or hereafter a part of the Property. All replacements and additions shall also be covered by this Security Instrument, provided, however, that the Manufactured Home, while it is or will be located on the Property, is not and shall not be deemed to be an improvement to the Property, but is and shall remain personal property. All of the foregoing is referred to in this Security Instrument as the "Property."

BORROWER COVENANTS that Borrower is lawfully seized of the estate hereby conveyed and has the right to grant and convey the Property and that the Property is unencumbered, except for encumbrances of record. Borrower warrants and will defend generally the title to the Property against all claims and demands, subject to any encumbrances of record.

The Manufactured Home is subject a security interest granted by the Borrower to the Lender under the Note. The Note, and terms and provisions herein relating to the Manufactured Home which have been incorporated into the Note, constitute the Security Agreement relating to the Manufactured Home.

BORROWER AND LENDER COVENANTS AND AGREEMENTS

Borrower and Lender covenant and agree as follows:

1. **Payment of Principal, Interest, Escrow Items, Prepayment Charges, and Late Charges.** Borrower shall pay when due the principal of, and interest on, the debt evidenced by the Note and late charges due under the Note. Borrower shall also pay funds for Escrow Items pursuant to Section 3. Payments due under the Note, this Security Instrument and the Security Agreement shall be made in U.S. currency. However, if any check or other instrument received by Lender as payment under the Note is returned to Lender unpaid, Lender may require that any or all subsequent payments due under the Note be made in one or more of the following forms, as selected by Lender: (a) cash; (b) money order; (c) certified check, bank check, treasurer's check or cashier's check, provided any such check is drawn upon an institution whose deposits are insured by a federal agency, instrumentality, or entity; or (d) Electronic Funds Transfer.

Payments are deemed received by Lender when received at the location designated in the Note or at such other location as may be designated by Lender in accordance with the notice provisions in Section 10 of the Note. Lender may return any payment or partial payment if the payment or partial payments are insufficient to bring the Loan current. Lender may accept any payment or partial payment insufficient to bring the Loan current, without waiver of any rights hereunder or without prejudice to its rights to refuse such payment or partial payments in the future, but Lender is not obligated to apply such payments at the time such payments are accepted. Lender is not obligated to pay interest on such unapplied funds. Lender, at its election, may hold such unapplied funds until Borrower makes payment to bring the Loan current or until such funds are a sufficient to make a full installment payment of principal and interest. If Borrower does not do so within a reasonable period of time, Lender shall either apply such funds or return them to Borrower. If not applied earlier, such funds will be applied to the outstanding principal balance under the Note immediately prior to foreclosure and effecting remedies under this Security Instrument and/or the Security Agreement. No offset or claim which Borrower might have now or in the future against Lender shall relieve Borrower from making payments due under the Note or performing the covenants and agreements secured by this Security Instrument or the Security Agreement.

2. Application of Payments or Proceeds. Except as otherwise described in this Section 2, all payments accepted and applied by Lender shall be applied in the following order of priority: (a) interest due under the Note; (b) principal due under the Note; (c) amounts due under Section 3. Such payments shall be applied to each Periodic Payment in the order in which it became due. Any remaining amounts shall be applied first to late charges, second to any other amounts due under this Security Instrument, and then either to reduce the principal balance of the Note or to be applied to future Periodic Payments, as Lender may in its discretion determine, unless Borrower makes such payment in compliance with the requirements and conditions of Section 6 of the Note.

If Lender receives a payment from Borrower for a delinquent Periodic Payment which includes a sufficient amount to pay any late charge due, the payment may be applied to the delinquent payment and the late charge. If more than one Periodic Payment is outstanding, Lender may apply any payment received from Borrower to the repayment of the Periodic Payments if, and to the extent that, each payment can be paid in full. To the extent that any excess exists after the payment is applied to the full payment of one or more Periodic Payments, such excess may be applied to any late charges due. Any application of payments, insurance proceeds, or Miscellaneous Proceeds to principal due under the Note shall not extend or postpone the due date, or change the amount, of the Periodic Payments.

3. Funds for Escrow Items. Borrower shall pay to Lender on the day Periodic Payments are due under the Note, until the Note is paid in full, a sum to provide for payment of amounts due for premiums for any and all insurance required by Lender under Section 5 on the Manufactured Home and improvements ("Insurance Escrow"). At the time the Loan is made Lender does not require the payment of amounts for taxes, assessments, charges, fines and impositions attributable to the Property or the Manufactured Home which can attain priority over this Security Instrument (called "Taxes Escrow" if required by Lender under the following provisions) or Lender's security interest in the Manufactured Home. Items which are subject to escrow are called "Escrow Items" and all funds paid into escrow are "Funds" or "Escrow Funds." At any time during the term of the Loan, Lender may require Borrower to make payments for a Taxes Escrow, as well as for the payment into escrow of Community Association Dues, Fees and Assessments, and such dues, fees and assessments shall be an Escrow Item. Borrower shall promptly furnish to Lender all notices of amounts to be paid under this Section. Borrower shall pay Lender the Funds for Escrow Items unless Lender waives Borrower's obligation to pay the Funds for any or all Escrow Items. Lender may waive Borrower's obligation to pay to Lender Funds for any or all Escrow Items at any time. Any such waiver may only be in writing. In the event of such waiver, Borrower shall pay directly, when and where payable, the amounts due for any Escrow Items for which payment of Funds has been waived by Lender and, if Lender requires, shall furnish to Lender receipts evidencing such payment within such time period as Lender may require. Borrower's obligation to make such payments and to provide receipts shall for all purposes be deemed to be a covenant and agreement contained in this Security Instrument, as the phrase "covenant and agreement" is used in Section 9. If Borrower is obligated to pay Escrow Items directly, pursuant to a waiver, and Borrower fails to pay the

amount due for an Escrow Item, Lender may exercise its rights under Section 9 and pay such amount and Borrower shall then be obligated under Section 9 to repay to Lender any such amount. Lender may revoke the waiver as to any or all Escrow Items at any time by a notice given in accordance with Section 10 of the Note and, upon such revocation, Borrower shall pay to Lender all Funds, and in such amounts, that are then required under this Section 3.

Lender may, at any time, collect and hold Funds in an amount (a) sufficient to permit Lender to apply the Funds at the time specified under RESPA, and (b) not to exceed the maximum amount a lender can require under RESPA. Lender shall estimate the amount of Funds due on the basis of current data and reasonable estimates of expenditures of future Escrow Items or otherwise in accordance with Applicable Law.

The Funds shall be held in an institution whose deposits are insured by a federal agency, instrumentality, or entity (including Lender, if Lender is an institution whose deposits are so insured) or in any Federal Home Loan Bank. Lender shall apply the Funds to pay the Escrow Items no later than the time specified under RESPA. Lender shall not charge Borrower for holding and applying the Funds, annually analyzing the escrow account, or verifying the Escrow Items, unless Lender pays Borrower interest on the Funds and Applicable Law permits Lender to make such a charge. Unless Applicable Law requires interest to be paid on the Funds, Lender shall not be required to pay Borrower any interest or earnings on the Funds. Lender shall give to Borrower, without charge, an annual accounting of the Funds as required by RESPA.

If there is a surplus of Funds held in escrow, as defined under RESPA, Lender shall account to Borrower for the excess funds in accordance with RESPA. If there is a shortage of Funds held in escrow, as defined under RESPA, Lender shall notify Borrower as required by RESPA, and Borrower shall pay to Lender the amount necessary to make up the shortage in accordance with RESPA.

Upon payment in full of all sums secured by this Security Instrument and the Security Agreement, Lender shall promptly refund to Borrower any Funds held by Lender.

4. Charges; Liens. Borrower shall pay all taxes, assessments, charges, fines, and impositions, and Community Association Dues, Fees and Assessments, attributable to the Property or the Manufactured Home which can attain priority over this Security Instrument or the Security Agreement. To the extent that these items are Escrow Items, Borrower shall pay them in the manner provided in Section 3.

Borrower shall promptly discharge any lien which has priority over this Security Instrument or the Security Agreement unless Borrower: (a) agrees in writing to the payment of the obligation secured by the lien in a manner acceptable to Lender, but only so long as Borrower is performing such agreement; (b) contests the lien in good faith by, or defends against enforcement of the lien in, legal proceedings if approved in writing by Lender, which approval shall not unreasonably be withheld, but only until such proceedings are concluded; or (c) secures from the holder of the lien an agreement satisfactory to Lender subordinating the lien to this Security Instrument or Security Agreement. If Lender determines that any part of the Property or the Manufactured Home is subject to a lien which can attain priority over this Security Instrument or the Security Agreement, Lender may give Borrower a notice identifying the lien. Within 10 days of the date on which that notice is given, Borrower shall satisfy the lien or take one or more of the actions set forth above in this Section 4.

If Borrower fails to satisfy the lien or take one or more of the actions set forth above in this Section 4, Lender may pay any such taxes, assessment, charges, fines and impositions, or Community Association Dues, Fees and Assessments, at Lender's option and at Borrower's expense. Any amounts paid by Lender under this Section 4 shall become additional debt of the Borrower secured by this Security Instrument and the Security Agreement. These amounts may bear interest rate provided for in the Note, unless prohibited by Applicable Law, and shall be payable, with such interest, upon notice from Lender to Borrower requesting payment.

Lender, at the time this Loan is made or at any time during the term of the Loan, may require Borrower to pay a one-time charge for a real estate or personal property tax verification and/or reporting service used by Lender in connection with this Loan, unless prohibited by Applicable Law.

5. Property Insurance. Borrower shall keep the Manufactured Home, as well as improvements now existing or hereafter erected on the Property, insured against loss by fire, hazards included within the term "extended coverage," and any other hazards for which Lender insurance (and specifically including flood insurance, if applicable), during the term of the Note and at Borrower's expense ("Property Insurance"). This insurance shall be maintained in the amounts (including deductible levels) and for the types of coverage that Lender requires. The insurance policy must contain a standard mortgage clause and name Lender as mortgagee and/or additional loss payee (as Lender's interest may appear), and provide for at least ten (10) days prior notice of cancellation to Lender. Borrower agrees to provide written proof of coverage within five (5) days of Lender's request.

BORROWER HAS THE RIGHT TO CHOOSE THE PERSON THROUGH WHOM THE PROPERTY INSURANCE IS TO BE OBTAINED AND THE INSURANCE CARRIER. The insurance carrier providing the insurance shall be chosen by Borrower subject to Lender's right to disapprove Borrower's choice, which right shall not be exercised unreasonably. Lender may require Borrower to pay, in connection with this Loan, either: (a) a one-time charge for flood zone determination, certification and tracking services or (b) a one-time charge for flood zone determination and certification services and subsequent charges each time remappings or similar changes occur which reasonably might affect such determination or certification, unless prohibited by Applicable Law. Borrower shall also be responsible for the payment of any fees imposed by the Federal Emergency Management Agency in connection with the review of any flood zone determination resulting from an objection by Borrower, unless prohibited by Applicable Law.

Lender's Right to Obtain Property Insurance

If Borrower fails to maintain any of the coverages described above or fails to provide Lender with satisfactory proof of coverage, or should such insurance, for any reason, not be in place to protect Lender's interests, Lender, in its sole discretion, may obtain such Property Insurance, but is under no legal obligation to do so.

Before obtaining insurance in these circumstances, Lender will in good faith attempt to inform Borrower in writing of the need for Borrower to obtain Property Insurance and/or to provide evidence thereof. If obtained by Lender, the cost of such will be added to the amount due under the Loan, and will be due and payable by Borrower upon demand by Lender or in payments added to the Borrower's regularly scheduled Period Payments or as is otherwise required by Lender. Lender may charge Borrower interest on such cost at the interest rate provided for in the Note, unless prohibited by Applicable Law.

The Property Insurance obtained by Lender may be materially different from the insurance, if any, initially financed under this Loan or insurance Borrower may have obtained initially or have obtained at any time during the term of the Loan, and may be significantly more expensive to Borrower than if Borrower had obtained such insurance. Consequently, Lender makes the following disclosures to Borrower:

(a) The Property Insurance Lender obtains is intended solely to protect Lender's interest hereunder, and Lender may not obtain coverage's beyond those which insure loss or damage to the Manufactured Home; in particular, such insurance may not provide coverage for personal effects, adjacent structures, medical expenses or personal liability; additionally, such coverage may not insure the Manufactured Home in an amount equal to the unpaid balance due under this Loan and, consequently, in the event of loss or damage the insurance may not pay the full amount of the unpaid balance of the Loan;

(b) The cost of this insurance may be higher than if Borrower satisfied its obligation hereunder and acquired such insurance; Lender is being required to obtain such insurance due to Borrower's default and, consequently, Borrower acknowledges and agrees that Lender has no duty to obtain insurance which the Borrower could obtain, which is the least expensive, or which has a competitive marketplace premium or any other particular quality;

(c) Lender or its affiliates may be reimbursed for expenses and/or profit from taking action to cure Borrower's default to provide and maintain such insurance;

(d) Borrower's execution of this Security Instrument authorizes Lender to provide to third parties any information necessary to obtain and monitor such insurance; and

(e) Borrower may, as stated above, at any time, including after Lender has obtained Property Insurance, obtain such insurance through the agent or insurance carrier of Borrower's choice; if Borrower obtains and provides Lender with sufficient evidence of insurance coverage, the insurance coverage obtained by Lender will be cancelled and Lender will obtain the refund of the premium, if any, due to the cancellation of such insurance obtained by Lender and apply such refund to the unpaid balance of the Note.

In the event of loss, Borrower shall give prompt notice to the insurance carrier and Lender. Lender may make proof of loss if not made promptly by Borrower. Unless Lender and Borrower otherwise agree in writing, any insurance proceeds shall be applied to repair or restoration of the Home, if the restoration or repair is economically feasible and Lender's security is not lessened. During such repair and restoration period, Lender shall have the right to hold such insurance proceeds until Lender has had an opportunity to inspect the Home to ensure the repair or restoration work has been completed to Lender's satisfaction. Lender may disburse proceeds for the repairs and restoration in a single payment or in a series of progress payments as the work is completed. Unless an agreement is made in writing or Applicable Law requires interest to be paid on such insurance proceeds, Lender shall not be required to pay Borrower any interest or earnings on such proceeds. Fees for public adjusters, or other third parties, retained by Borrower shall not be paid out of the insurance proceeds and shall be the sole obligation of Borrower. If the restoration or repair is not economically feasible or Lender's security would be lessened, as determined in Lender's sole discretion, reasonably exercised, the insurance proceeds shall be applied to the sums secured by this Security Instrument and the Security Agreement, whether or not then due, with the excess, if any, paid to Borrower. Such insurance proceeds shall be applied in the order provided for in Section 2.

If Borrower abandons the Property or the Home, Borrower expressly hereby agrees that Lender may file, negotiate and settle any available insurance claim and related matters. In any event, if Borrower does not respond within 30 days to a notice from Lender that the insurance carrier has offered to settle a claim, then Lender may negotiate and settle the claim. The 30-day period will begin when the notice is given. In either event, or if Lender acquires the Property under Section 20 or otherwise, Borrower hereby assigns to Lender (a) Borrower's rights to any insurance proceeds in an amount not to exceed the amounts unpaid under the Note, this Security Instrument or the Security Agreement, and (b) any other of Borrower's rights (other than the right to any refund of unearned premiums paid by Borrower) under all insurance policies covering the Manufactured Home and improvements. Lender may use the insurance proceeds either to repair or restore the Home and improvements or to pay amounts unpaid under the Note, this Security Instrument or the Security Agreement, whether or not then due.

6. Preservation, Maintenance and Protection of the Manufactured Home and Improvements; Inspections. Borrower shall not destroy, damage or impair the Manufactured Home or improvements, allow such to deteriorate or commit waste thereon. Whether or not Borrower is residing in the Manufactured Home, Borrower shall maintain the Manufactured Home in good order to prevent such from deteriorating or decreasing in value due to its condition. Unless it is determined pursuant to Section 5 that repair or restoration is not economically feasible, Borrower shall promptly repair the Manufactured Home and improvements if damaged to avoid further deterioration or damage. If insurance or condemnation proceeds are paid in connection with damage to, or the taking of, the Manufactured Home or the Property, Borrower shall be responsible for repairing or restoring such only if Lender has released proceeds for such purposes. Lender may disburse proceeds for the repairs and in a series of progress

payments as the work is completed. If the insurance or condemnation proceeds are not sufficient to repair or restore the Manufactured Home or Property, Borrower is not relieved of Borrower's obligation for the completion of such repair or restoration.

Lender or its agent may make reasonable entries upon and inspections of the Manufactured Home or Property, including an inspection of the interior of the Manufactured Home, in which case Lender shall give Borrower notice prior to such inspection.

7. Protection of Lender's Interest in the Property and Manufactured Home and Rights Under this Security Instrument or the Security Agreement. If (a) Borrower fails to perform the covenants and agreements contained in this Security Instrument or the Security Agreement, (b) there is a legal proceeding that might significantly affect Lender's interest in the Property, the Manufactured Home and/or Lender's rights under this Security Instrument or the Security Agreement (such as a proceeding in bankruptcy, probate, for condemnation or forfeiture, for enforcement of a lien which may attain priority over this Security Instrument or the Security Agreement or to enforce laws or regulations), or (c) Borrower has abandoned the Property or the Manufactured Home, then Lender may do and pay for whatever is reasonable or appropriate to protect Lender's interest therein and rights under this Security Instrument and the Security Agreement, including protecting and/or assessing the value of the Property or Manufactured Home, and securing and/or repairing the Property or Manufactured Home. Lender's actions can include, but are not limited to: (a) paying any sums secured by a lien which has priority over this Security Instrument or the Security Agreement; (b) appearing in court; and (c) paying reasonable attorneys' fees to protect its interest in the Property or the Manufactured Home and/or rights under this Security Instrument or the Security Agreement, including its secured position in a bankruptcy proceeding. Securing the Property or Manufactured Home includes, but is not limited to, entering the Property or Manufactured Home to make repairs, change locks, replace or board up doors and windows, drain water from pipes, eliminate building or other code violations or dangerous conditions, and have utilities turned on or off. *Although Lender may take action under this Section 7, Lender does not have to do so and is not under any duty or obligation to do so. It is agreed that Lender incurs no liability for not taking any or all actions authorized under this Section 7.*

Any amounts disbursed by Lender under this Section 7 shall become additional debt of Borrower secured by this Security Instrument and the Security Agreement. These amounts may bear interest at the Note rate from the date of disbursement and shall be payable, with such interest, upon notice from Lender to Borrower requesting payment, unless regulated by Applicable Law otherwise.

8. Assignment of Miscellaneous Proceeds; Forfeiture. All Miscellaneous Proceeds are hereby assigned to and shall be paid to Lender. If the Manufactured Home and improvements are damaged, such Miscellaneous Proceeds shall be applied to restoration or repair of the Manufactured Home and improvements, if the restoration or repair is economically feasible and Lender's security is not lessened. During such repair and restoration period, Lender shall have the right to hold such Miscellaneous Proceeds in the same manner as set forth in Section 5 above relating to proceeds of property insurance.

In the event of a total or partial taking, total or partial destruction, or total or partial loss in value of the Property or Manufactured Home, the Miscellaneous Proceeds shall be applied to the sums secured by this Security Instrument or the Security Agreement, whether or not then due, with the excess, if any, paid to Borrower.

If the Property or Manufactured Home is abandoned by Borrower, or if, after notice by Lender to Borrower that the Opposing Party (as defined in the next sentence) offers to make an award to settle a claim for damages, Borrower fails to respond to Lender within 15 days after the date the notice is given, Lender is authorized to collect and apply the Miscellaneous Proceeds either to repair or restoration of the Property or Manufactured Home or to the sums secured by this Security Instrument or the Security Agreement, whether or not then due. "Opposing Party" means the third party that owes Borrower Miscellaneous Proceeds or the party against whom Borrower has a right of action in regard to Miscellaneous Proceeds.

Borrower shall be in default if any action or proceeding, whether civil or criminal, is begun that, in Lender's judgment, could result in forfeiture of the Property or Manufactured Home or other material impairment of Lender's interest in either or rights under this Security Instrument or the Security Agreement. The proceeds of any award or claim for damages that are attributable to the impairment of Lender's interest in the Property or Manufactured Home are hereby assigned and shall be paid to Lender.

All Miscellaneous Proceeds that are not applied to restoration or repair of the Property or Manufactured Home shall be applied in the order provided for in Section 2.

9. Sale of Note; Change of Loan Servicer; Notice of Grievance. The Note, a partial interest in the Note (together with this Security Instrument and the Security Agreement) can be sold one or more times without prior notice to Borrower. A sale might result in a change in the entity (known as the "Loan Servicer") that collects Periodic Payments due under the Note, this Security Instrument and the Security Agreement and performs other mortgage loan servicing obligations under the Note, this Security Instrument or the Security Agreement. There also might be one or more changes of the Loan Servicer unrelated to a sale of the Note. If there is a change of the Loan Servicer, Borrower will be given written notice of the change which will state the name and address of the new Loan Servicer, the address to which payments should be made and any other information RESPA requires in connection with a notice of transfer of servicing. If the Note is sold and thereafter the Loan is serviced by a Loan Servicer other than the purchaser of the Note, the mortgage loan servicing obligations to Borrower will remain with the Loan Servicer or be transferred to a successor Loan Servicer and are not assumed by the Note purchaser unless otherwise provided by the Note purchase agreement.

Neither Borrower, Lender, successor holder of this Security Instrument or the Note (including the Security Agreement), nor any Loan Servicer, may commence, join, or be joined to any judicial action (as either an individual litigant or the member of a class) that relates to the Note (including the Security Agreement) or this Security Instrument, or which arises from the other party's actions pursuant to the Note (including the Security Agreement) or this Security Instrument or that alleges that the other party has breached any provision of, or any duty owed by reason of, the Note (including the Security Agreement) or this Security Instrument, until such party has notified the other party (with such notice given in compliance with the requirements of Section 10 of the Note) of such alleged breach and afforded the other party hereto a reasonable period after the giving of such notice to take corrective action. If Applicable Law provides a time period which must elapse before certain action can be taken, that time period will be deemed to be reasonable for purposes of this paragraph. The Notice of Default (defined in Section 9(D) of the Note) and notice of acceleration given to Borrower pursuant to Section 9 of the Note shall be deemed to satisfy the notice provisions of this Section 9.

10. Hazardous Substances. As used in this Section 10: (a) "Hazardous Substances" are those substances defined as toxic or hazardous substances, pollutants, or wastes by Environmental Law and the following substances: gasoline, kerosene, other flammable or toxic petroleum products, toxic pesticides and herbicides, volatile solvents, materials containing asbestos or formaldehyde, and radioactive materials; (b) "Environmental Law" means federal laws and laws of the jurisdiction where the Property is located that relate to health, safety or environmental protection; (c) "Environmental Cleanup" includes any response action, remedial action, or removal action, as defined in Environmental Law; and (d) an "Environmental Condition" means a condition that can cause, contribute to, or otherwise trigger an Environmental Cleanup.

Borrower shall not cause or permit the presence, use, disposal, storage, or release of any Hazardous Substances, or threaten to release any Hazardous Substances, on or in the Property or Manufactured Home. Borrower shall not do, nor allow anyone else to do, anything affecting the Property or Manufactured Home (a) that is in violation of any Environmental Law, (b) which creates an Environmental Condition, or (c) which, due to the presence, use, or release of a Hazardous Substance, creates a condition that adversely affects the value of the Property or Manufactured Home. The preceding two sentences shall not apply to the presence, use, or storage on the Property or Manufactured Home of small quantities of Hazardous Substances that are generally recognized to be appropriate to normal residential uses and to maintenance of the Property or Manufactured Home, including, but not limited to, hazardous substances in consumer products.

Borrower shall promptly give Note Holder written notice of (a) any investigation, claim, demand, lawsuit or other action by any governmental or regulatory agency or private party involving the Property or Manufactured Home and any Hazardous Substance or Environmental Law of which Borrower has actual knowledge, (b) any Environmental Condition, including but not limited to, any spilling, leaking, discharge, release or threat of release of any Hazardous Substance, and (c) any condition caused by the presence, use or release of a Hazardous Substance which adversely affects the value of the Property or Manufactured Home. If Borrower learns, or is notified by any governmental or regulatory authority, or any private party, that any removal or other remediation of any Hazardous Substance affecting the Property or Manufactured Home is necessary, Borrower shall promptly take all necessary remedial actions in accordance with Environmental Law. Nothing herein shall create any obligation on Lender for an Environmental Cleanup.

11. Notice of Default and Right to Cure Default; Acceleration; Right to Reinstate After Acceleration. The Borrower has certain rights with respect to curing defaults under the Note (including the Security Agreement) or this Security Instrument, as well as the right to reinstate the Loan upon compliance with certain conditions. Such rights, when they are applicable and how the Borrower may exercise them, are set forth in Section 9 of the Note, all of which terms and provisions are incorporated herein as if fully set forth herein.

12. Lender Remedies Under This Security Instrument. If the default under the Note or this Security Instrument is not cured within the period specified in the Notice of Default and Right to Cure Default, or if a Notice of Default and Right to Cure Default is not required to be sent by Lender, Lender at its option may require immediate payment in full of all sums secured by this Security Instrument without further demand, except as may be required by Applicable Law, and may invoke the power of sale and any other remedies permitted by Applicable Law.

If the default is not cured on or before the date specified in the notice, Lender at its option, and without further demand, may invoke the power of sale, including the right to accelerate full payment of the Note, and any other remedies permitted by Applicable Law. Lender shall be entitled to collect all expenses incurred in pursuing the remedies provided in this Section 12, including, but not limited to, reasonable attorneys' fees and costs of title evidence.

If Lender invokes the power of sale, Lender shall execute or cause Trustee to execute written notice of the occurrence of an event of default and of Lenders' election to cause the Property to be sold, and shall cause such notice to be recorded in each county in which any part of the Property is located. Lender shall mail copies of the notice as prescribed by Applicable Law to Borrower and to the persons prescribed by Applicable Law. Trustee shall give public notice of sale to the persons and in the manner prescribed by Applicable Law. After the time required by Applicable Law, Trustee, without demand on Borrower, shall sell the Property at public auction to the highest bidder at the time and place and under the terms designated in the notice of sale in one or more parcels and in any order Trustee determines. Trustee may postpone sale of all or any parcel of the Property by public announcement at the time and place of any previously scheduled sale. Lender or its designee may purchase the Property at any sale.

Trustee shall deliver to the purchaser Trustee's deed conveying the Property without any covenant or warranty, expressed or implied. The recitals in the Trustee's deed shall be prima facie evidence of the truth of the statements made therein. Trustee shall apply the proceeds of the sale in the following order: (1) to all expenses of the sale, including, but not limited to, reasonable Trustee's and attorneys' fees; (2) to all sums secured by this Security Instrument; and (3) any excess to the person or persons legally entitled to it.

13. Reconveyance. Upon payment of all sums secured by this Security Instrument, Lender shall request Trustee to reconvey the Property and shall surrender this Security Instrument and all notes evidencing debt secured by this Security Instrument to Trustee. Trustee shall reconvey the Property without warranty to the person or persons legally entitled to it. Such person or persons shall pay any recordation costs. Lender may charge such person or persons a fee for reconveying the Property, but only if the fee is paid to a third party (such as the Trustee) for services rendered and the charging of the fee is permitted under Applicable Law.

14. **Substitute Trustee.** Lender at its option, may from time to time remove Trustee and appoint a successor trustee to any Trustee appointed hereunder. Without conveyance of the Property, the successor trustee shall succeed to all the title, power and duties conferred upon Trustee herein and by Applicable Law.

BY SIGNING BELOW, Borrower accepts and agrees to the terms and covenants contained in this Security Instrument and in any Rider executed by Borrower and recorded with it.
