The undersigned affirms that this document
contains no personal information of any person.

Correction of Quitclaim Deed

This Correction of Quitclaim Deed is made and entered by Combined Metals Reduction Company, a Utah corporation ("Grantor"), and Lone Mountain Zinc Ltd., a Nevada corporation ("Grantee").

Grantor is the grantor under the Quitclaim Deed dated September 21, 2015, recorded in the Office of the Eureka County Recorder on September 28, 2015, Document 229890. The Quitclaim Deed described the patented mining claim conveyed by the Quitclaim Deed as the Mountain View Mine patented mining claim and correctly described the patent number and mineral survey number. The name of the patented mining claim stated in the patent is the Mountain View patented mining claim which occasionally has been referred to as the Mountain View Lode patented mining claim and Mountain View Mine patented mining claim. Grantor executes this Correction of Quitclaim Deed to correctly identify the name of the patented mining claim as stated in the patent and to approve, confirm, and ratify Grantor's prior conveyance and quitclaim to Grantee of all of Grantor's right, title and interest in and to the Mountain View patented mining claim, also known as the Mountain View Mine patented mining claim and as the Mountain View Lode patented mining claim, situated in Eureka County, Nevada, Patent No. 1231073, Mineral Survey No. 4830, Eureka County Assessor's Parcel No. 009-200-01.

As corrected and supplemented by this Correction of Quitclaim Deed, the original Quitclaim Deed remains fully effective.

Grantor has executed this Correction of Quitclaim Deed effective September 22nd

2016.

Lawrence T. Atkinson, President and Director

The undersigned companies approve, confirm, and ratify the original Quitclaim Deed and disclaim to Grantee all right, title and interest in the Property.
