REPRESENTATIONS. The following representations are made to Lender, subject to disclosures made and accepted by Lender in writing:

Use of Property. After due inquiry and investigation, Indemnitor has no knowledge, or reason to believe, that there has been any use, generation, manufacture, storage, treatment, refinement, transportation, disposal, release, or threatened release of any Hazardous Substances by any person on, under, or about the Property.

Hazardous Substances. After due inquiry and investigation, Indemnitor has no knowledge, or reason to believe, that the Property, whenever and whether owned by previous Occupants, has ever contained asbestos, PCBs, lead paints or other Hazardous Substances, whether used in construction or stored on the Property.

No Notices. Indemnitor has received no summons, citation, directive, letter or other communication, written or oral, from any agency or department of any county or state or the U.S. Government concerning any intentional or unintentional action or omission on, under, or about the Property which has resulted in the releasing, spilling, leaking, pumping, pouring, emitting, emptying or dumping of Hazardous Substances into any waters, ambient air or onto any lands or where damage may have resulted to the lands, waters, fish, shellfish, wildlife, biota, air or other natural resources.

AFFIRMATIVE COVENANTS. Indemnitor covenants with Lender as follows:

Use of Property. Indemnitor will not use and does not intend to use the Property to generate, manufacture, refine, transport, treat, store, handle or dispose of any Hazardous Substances, PCBs, lead paint or asbestos.

Compliance with Environmental Laws. Indemnitor shall cause the Property and the operations conducted on it to comply with any and all Environmental Laws and orders of any governmental authorities having jurisdiction under any Environmental Laws and shall obtain, keep in effect and comply with all governmental permits and authorizations required by Environmental Laws with respect to such Property or operations. Indemnitor shall furnish Lender with copies of all such permits and authorizations and any amendments or renewals of them and shall notify Lender of any expiration or revocation of such permits or authorizations.

Preventive, Investigatory and Remedial Action. Indemnitor shall exercise extreme care in handling Hazardous Substances if Indemnitor uses or encounters any. Indemnitor, at Indemnitor's expense, shall undertake any and all preventive, investigatory or remedial action (including emergency response, removal, containment and other remedial action) (a) required by any applicable Environmental Laws or orders by any governmental authority having jurisdiction under Environmental Laws, or (b) necessary to prevent or minimize property damage (including damage to Occupant's own property), personal injury or damage to the environment, or the threat of any such damage or injury, by releases of or exposure to Hazardous Substances in connection with the Property or operations of any Occupant on the Property. In the event Indemnitor fails to perform any of Indemnitor's obligations under this section of the Agreement, Lender may (but shall not be required to) perform such obligations at Indemnitor's expense. All such costs and expenses incurred by Lender under this section and otherwise under this Agreement shall be reimbursed by Indemnitor to Lender upon demand with interest at the Note default rate, or in the absence of a default

rate, at the Note interest rate. Lender and Indemnitor intend that Lender shall have full recourse to Indemnitor for any sum at any time due to Lender under this Agreement. In performing any such obligations of Indemnitor, Lender shall at all times be deemed to be the agent of Indemnitor and shall not by reason of such performance be deemed to be assuming any responsibility of Indemnitor under any Environmental Law or to any third party. Indemnitor hereby irrevocably appoints Lender as Indemnitor's attorney-in-fact with full power to perform such of Indemnitor's obligations under this section of the Agreement as Lender deems necessary and appropriate.

Notices. Indemnitor shall immediately notify Lender upon becoming aware of any of the following:

- (1) Any spill, release or disposal of a Hazardous Substance on any of the Property, or in connection with any of its operations if such spill, release or disposal must be reported to any governmental authority under applicable Environmental Laws.
- (2) Any contamination, or imminent threat of contamination, of the Property by Hazardous Substances, or any violation of Environmental Laws in connection with the Property or the operations conducted on the Property.
- (3) Any order, notice of violation, fine or penalty or other similar action by any governmental authority relating to Hazardous Substances or Environmental Laws and the Property or the operations conducted on the Property.
- (4) Any judicial or administrative investigation or proceeding relating to Hazardous Substances or Environmental Laws and to the Property or the operations conducted on the Property.
- (5) Any matters relating to Hazardous Substances or Environmental Laws that would give a reasonably prudent Lender cause to be concerned that the value of Lender's security interest in the Property may be reduced or threatened or that may impair, or threaten to impair, Indemnitor's ability to perform any of its obligations under this Agreement when such performance is due.

Access to Records. Indemnitor shall deliver to Lender, at Lender's request, copies of any and all documents in Indemnitor's possession or to which it has access relating to Hazardous Substances or Environmental Laws and the Property and the operations conducted on the Property, including without limitation results of laboratory analyses, site assessments or studies, environmental audit reports and other consultants' studies and reports.

Inspections. Lender reserves the right to inspect and investigate the Property and operations on it at any time and from time to time, and Indemnitor shall cooperate fully with Lender in such inspection and investigations. If Lender at any time has reason to believe that Indemnitor or any Occupants of the Property are not complying with all applicable Environmental Laws or with the requirements of this Agreement or that a material spill, release or disposal of Hazardous Substances has occurred on or under the Property, Lender may require Indemnitor to furnish Lender at Indemnitor's expense an environmental audit or a site assessment with respect to the matters of concern to Lender. Such audit or assessment shall be performed by a qualified consultant approved by Lender. Any inspections or tests made by Lender shall be for Lender's purposes only and shall not be

construed to create any responsibility or liability on the part of Lender to any Indemnitor or to any other person.

INDEMNITOR'S WAIVER AND INDEMNIFICATION. Indemnitor hereby agrees to and shall indemnify, defend, and hold harmless Lender and Lender's officers, directors, employees and agents, and Lender's successors and assigns and their officers, directors, employees and agents from and against any and all claims, demands, losses, liabilities, costs, fines, penalties and expenses (including without limitation attorneys' fees at trial and on any appeal or petition for review, consultants' fees, remedial action costs, natural resource damages and diminution in value) incurred by such person (a) arising out of or relating to any investigatory or remedial action involving the Property, the operations conducted on the Property, or any other operations of Indemnitor or any Occupant and required by Environmental Laws or by orders of any governmental authority having jurisdiction under any Environmental Laws, including without limitation any natural resource damages, or (b) arising out of or related to any noncompliance with or violation of Environmental Laws or any applicable permits or approvals, or (c) on account of injury to Lender or any person whatsoever or damage to any property arising out of, in connection with, or in any way relating to (i) the breach of any covenant, representation or warranty contained in this Agreement, (ii) the violation of any Environmental Laws, permits, authorizations or approvals, (iii) the use, treatment, storage, generation, manufacture, transport, release, spill, disposal or other handling of Hazardous Substances on the Property, or (iv) the contamination of any of the Property by, or the presence, release or threatened release of, Hazardous Substances by any means whatsoever (explicitly including without limitation any presently existing contamination of the Property, whether or not previously disclosed to Lender), or (d) pursuant to this Agreement. Indemnitor's obligations under this section shall survive the termination of this Agreement and as set forth below in the **Survival** section. In addition to this indemnity, Indemnitor hereby releases and waives all present and future claims against Lender for indemnity or contribution in the event Indemnitor becomes liable for cleanup or other costs under any Environmental Laws.

PAYMENT: FULL RECOURSE TO INDEMNITOR. Indemnitor intends that Lender shall have full recourse to Indemnitor for Indemnitor's obligations under this Agreement as they become due to Lender. Such liabilities, losses, claims, damages and expenses shall be reimbursable to Lender as Lender's obligations to make payments with respect thereto are incurred, without any requirement of waiting for the ultimate outcome of any litigation, claim or other proceeding, and Indemnitor shall pay such liability, losses, claims, damages and expenses to Lender as so incurred within thirty (30) days after written notice from Lender. Lender's notice shall contain a brief itemization of the amounts incurred to the date of such notice. In addition to any remedy available for failure to pay periodically such amounts, such amounts shall thereafter bear interest at the Note default rate, or in the absence of a default rate, at the Note interest rate.

SURVIVAL. The covenants contained in this Agreement shall survive (A) the repayment of the Indebtedness, (B) any foreclosure, whether judicial or nonjudicial, of the Property, and (C) any delivery of a deed in lieu of foreclosure to Lender or any successor of Lender. The covenants contained in this Agreement shall be for the benefit of Lender and any successor to Lender, as holder of any security interest in the Property or the indebtedness secured thereby, or as owner of the Property following foreclosure or the delivery of a deed in lieu of foreclosure.

DOCUMENT IMAGING. Lender shall be entitled, in its sole discretion, to image or make copies of all or any selection of the agreements, instruments, documents, and items and records

governing, arising from or relating to any of Borrower's loans, including, without limitation, this document and the Related Documents, and Lender may destroy or archive the paper originals. The parties hereto (i) waive any right to insist or require that Lender produce paper originals, (ii) agree that such images shall be accorded the same force and effect as the paper originals, (iii) agree that Lender is entitled to use such images in lieu of destroyed or archived originals for any purpose, including as admissible evidence in any demand, presentment or other proceedings, and (iv) further agree that any executed facsimile (faxed), scanned, or other imaged copy of this document or any Related Document shall be deemed to be of the same force and effect as the original manually executed document.

DISPUTE RESOLUTION PROVISION. This Dispute Resolution Provision contains a jury waiver, a class action waiver, and an arbitration clause (or judicial reference agreement, as applicable), set out in four Sections. **READ IT CAREFULLY.**

SECTION 1. GENERAL PROVISIONS GOVERNING ALL DISPUTES.

1.1 PRIOR DISPUTE RESOLUTION AGREEMENTS SUPERSEDED. This Dispute Resolution Provision shall supersede and replace any prior "Jury Waiver," "Judicial Reference," "Class Action Waiver," "Arbitration," "Dispute Resolution," or similar alternative dispute agreement or provision between or among the parties.

1.2 "DISPUTE" defined. As used herein, the word "Dispute" includes, without limitation, any claim by either party against the other party related to this Agreement, any Related Document, and the Loan evidenced hereby. In addition, "Dispute" also includes any claim by either party against the other party regarding any other agreement or business relationship between any of them, whether or not related to the Loan or other subject matter of this Agreement. "Dispute" includes, but is not limited to, matters arising from or relating to a deposit account, an application for or denial of credit, warranties and representations made by a party, the adequacy of a party's disclosures, enforcement of any and all of the obligations a party hereto may have to another party, compliance with applicable laws and/or regulations, performance or services provided under any agreement by a party, including without limitation disputes based on or arising from any alleged tort or matters involving the employees, officers, agents, affiliates, or assigns of a party hereto.

If a third party is a party to a Dispute (such as a credit reporting agency, merchant accepting a credit card, junior lienholder or title company), each party hereto agrees to consent to including that third party in any arbitration or judicial reference proceeding for resolving the Dispute with that party.

1.3 Jury Trial Waiver. Each party waives their respective rights to a trial before a jury in connection with any Dispute, and all Disputes shall be resolved by a judge sitting without a jury. If a court determines that this jury trial waiver is not enforceable for any reason, then at any time prior to trial of the Dispute, but not later than 30 days after entry of the order determining this provision is unenforceable, any party shall be entitled to move the court for an order, as applicable: (A) compelling arbitration and staying or dismissing such litigation pending arbitration ("Arbitration Order") under Section 2 hereof, or (B) staying such litigation and compelling judicial reference under Section 3 hereof.

1.4 CLASS ACTION WAIVER. If permitted by applicable law, each party waives the right to litigate in court or an arbitration proceeding any Dispute as a class action, either as a member

of a class or as a representative, or to act as a private attorney general.

1.5 SURVIVAL. This Dispute Resolution Provision shall survive any termination, amendment or expiration of this Agreement, or any other relationship between the parties.

SECTION 2. Arbitration IF JURY WAIVER UNENFORCEABLE (EXCEPT CALIFORNIA). If (but only if) a state or federal court located outside the state of California determines for any reason that the jury trial waiver in this Dispute Resolution Provision is not enforceable with respect to a Dispute, then any party hereto may require that said Dispute be resolved by binding arbitration pursuant to this Section 2 before a single arbitrator. An arbitrator shall have no authority to determine matters (i) regarding the validity, enforceability, meaning, or scope of this Dispute Resolution Provision, or (ii) class action claims brought by either party as a class representative on behalf of others and claims by a class representative on either party's behalf as a class member, which matters may be determined only by a court without a jury. By agreeing to arbitrate a Dispute, each party gives up any right that party may have to a jury trial, as well as other rights that party would have in court that are not available or are more limited in arbitration, such as the rights to discovery and to appeal.

Arbitration shall be commenced by filing a petition with, and in accordance with the applicable arbitration rules of, National Arbitration Forum ("NAF") or Judicial Arbitration and Mediation Service, Inc. ("JAMS") ("Administrator") as selected by the initiating party. However, if the parties agree, arbitration may be commenced by appointment of a licensed attorney who is selected by the parties and who agrees to conduct the arbitration without an Administrator. If NAF and JAMS both decline to administer arbitration of the Dispute, and if the parties are unable to mutually agree upon a licensed attorney to act as arbitrator with an Administrator, then either party may file a lawsuit (in a court of appropriate venue outside the state of California) and move for an Arbitration Order. The arbitrator, howsoever appointed, shall have expertise in the subject matter of the Dispute. Venue for the arbitration proceeding shall be at a location determined by mutual agreement of the parties or, if no agreement, in the city and state where Lender or Bank is headquartered. The arbitrator shall apply the law of the state specified in the agreement giving rise to the Dispute.

After entry of an Arbitration Order, the non-moving party shall commence arbitration. The moving party shall, at its discretion, also be entitled to commence arbitration but is under no obligation to do so, and the moving party shall not in any way be adversely prejudiced by electing not to commence arbitration. The arbitrator: (i) will hear and rule on appropriate dispositive motions for judgment on the pleadings, for failure to state a claim, or for full or partial summary judgment; (ii) will render a decision and any award applying applicable law; (iii) will give effect to any limitations period in determining any Dispute or defense; (iv) shall enforce the doctrines of compulsory counterclaim, res judicata, and collateral estoppel, if applicable; (v) with regard to motions and the arbitration hearing, shall apply rules of evidence governing civil cases; and (vi) will apply the law of the state specified in the agreement giving rise to the Dispute. Filing of a petition for arbitration shall not prevent any party from (i) seeking and obtaining from a court of competent jurisdiction (notwithstanding ongoing arbitration) provisional or ancillary remedies including but not limited to injunctive relief, property preservation orders, foreclosure, eviction, attachment, replevin, garnishment, and/or the appointment of a receiver, (ii) pursuing non-judicial foreclosure, or (iii) availing itself of any self-help remedies such as setoff and repossession. The exercise of such rights shall not constitute a waiver of the right to submit any Dispute to arbitration.

Judgment upon an arbitration award may be entered in any court having jurisdiction except that, if the arbitration award exceeds \$4,000,000, any party shall be entitled to a de novo appeal of the award before a panel of three arbitrators. To allow for such appeal, if the award (including Administrator, arbitrator, and attorney's fees and costs) exceeds \$4,000,000, the arbitrator will issue a written, reasoned decision supporting the award, including a statement of authority and its application to the Dispute. A request for de novo appeal must be filed with the arbitrator within 30 days following the date of the arbitration award; if such a request is not made within that time period, the arbitration decision shall become final and binding. On appeal, the arbitrators shall review the award de novo, meaning that they shall reach their own findings of fact and conclusions of law rather than deferring in any manner to the original arbitrator. Appeal of an arbitration award shall be pursuant to the rules of the Administrator or, if the Administrator has no such rules, then the JAMS arbitration appellate rules shall apply.

Arbitration under this provision concerns a transaction involving interstate commerce and shall be governed by the Federal Arbitration Act, 9 U.S.C. § 1 *et seq.* If the terms of this Section 2 vary from the Administrator's rules, this Section 2 shall control.

SECTION 3. JUDICIAL REFERENCE IF JURY WAIVER UNENFORCEABLE (CALIFORNIA ONLY).

If (but only if) a Dispute is filed in a state or federal court located within the state of California, and said court determines for any reason that the jury trial waiver in this Dispute Resolution Provision is not enforceable with respect to that Dispute, then any party hereto may require that Dispute be resolved by judicial reference in accordance with California Code of Civil Procedure, Sections 638, *et seq.*, including without limitation whether the Dispute is subject to a judicial reference proceeding. By agreeing to resolve Disputes by judicial reference, each party is giving up any right that party may have to a jury trial. The referee shall be a retired judge, agreed upon by the parties, from either the American Arbitration Association (AAA) or Judicial Arbitration and Mediation Service, Inc. (JAMS). If the parties cannot agree on the referee, the party who initially selected the reference procedure shall request a panel of ten retired judges from either AAA or JAMS, and the court shall select the referee from that panel. (If AAA and JAMS are unavailable to provide this service, the court may select a referee by such other procedures as are used by that court.) The referee shall be appointed to sit with all of the powers provided by law, including the power to hear and determine any or all of the issues in the proceeding, whether of fact or of law, and to report a statement of decision. The parties agree that time is of the essence in conducting the judicial reference proceeding set forth herein. The costs of the judicial reference proceeding, including the fee for the court reporter, shall be borne equally by the parties as the costs are incurred, unless otherwise awarded by the referee. The referee shall hear all pre-trial and post-trial matters (including without limitation requests for equitable relief), prepare a statement of decision with written findings of fact and conclusions of law, and apportion costs as appropriate. The referee shall be empowered to enter equitable relief as well as legal relief, provide all temporary or provisional remedies, enter equitable orders that are binding on the parties and rule on any motion that would be authorized in a trial, including without limitation motions for summary adjudication. Only for this Section 3, "Dispute" includes matters regarding the validity, enforceability, meaning, or scope of this Section, and (ii) class action claims brought by either party as a class representative on behalf of others and claims by a class representative on either party's behalf as a class member. Judgment upon the award shall be entered in the court in which such proceeding was commenced and all parties shall have full rights of appeal. This provision will not be deemed to

limit or constrain Bank or Lender's right of offset, to obtain provisional or ancillary remedies, to interplead funds in the event of a dispute, to exercise any security interest or lien Bank or Lender may hold in property or to comply with legal process involving accounts or other property held by Bank or Lender.

Nothing herein shall preclude a party from moving (prior to the court ordering judicial reference) to dismiss, stay or transfer the suit to a forum outside California on grounds that California is an improper, inconvenient or less suitable venue. If such motion is granted, this Section 3 shall not apply to any proceedings in the new forum.

This Section 3 may be invoked only with regard to Disputes filed in state or federal courts located in the State of California. In no event shall the provisions in this Section 3 diminish the force or effect of any venue selection or jurisdiction provision in this Agreement or any Related Document.

SECTION 4. Reliance. Each party (i) certifies that no one has represented to such party that the other party would not seek to enforce a jury waiver, class action waiver, arbitration provision or judicial reference provision in the event of suit, and (ii) acknowledges that it and the other party have been induced to enter into this Agreement by, among other things, material reliance upon the mutual waivers, agreements, and certifications in the four Sections of this DISPUTE RESOLUTION PROVISION.

MISCELLANEOUS PROVISIONS. The following miscellaneous provisions are a part of this Agreement:

Amendments. This Agreement, together with any Related Documents, constitutes the entire understanding and agreement of the parties as to the matters set forth in this Agreement. No alteration of or amendment to this Agreement shall be effective unless given in writing and signed by the party or parties sought to be charged or bound by the alteration or amendment.

Attorneys' Fees; Expenses. If Lender institutes any suit or action to enforce any of the terms of this Agreement, Lender shall be entitled to recover such sum as the court may adjudge reasonable as attorneys' fees at trial and upon any appeal. Whether or not any court action is involved, and to the extent not prohibited by law, all reasonable expenses Lender incurs that in Lender's opinion are necessary at any time for the protection of its interest or the enforcement of its rights shall become a part of the Indebtedness payable on demand and shall bear interest at the Note rate from the date of the expenditure until repaid. Expenses covered by this paragraph include, without limitation, however subject to any limits under applicable law, Lender's attorneys' fees and Lender's legal expenses, whether or not there is a lawsuit, including attorneys' fees and expenses for bankruptcy proceedings (including efforts to modify or vacate any automatic stay or injunction), appeals, and any anticipated post-judgment collection services, the cost of searching records, obtaining title reports (including foreclosure reports), surveyors' reports, and appraisal fees and title insurance, to the extent permitted by applicable law. Indemnitor also will pay any court costs, in addition to all other sums provided by law. Fees and expenses shall include attorneys' fees that Lender, Trustee, or both incur, if either or both are made parties to any action to enjoin foreclosure or to any legal proceeding that Indemnitor institutes. The fees and expenses are secured by this Agreement and are recoverable from the Property.

Caption Headings. Caption headings in this Agreement are for convenience purposes only and are not to be used to interpret or define the provisions of this Agreement.

Governing Law. This Agreement will be governed by federal law applicable to Lender and, to the extent not preempted by federal law, the laws of the State of Nevada without regard to its conflicts of law provisions. This Agreement has been accepted by Lender in the State of Nevada.

Choice of Venue. If there is a lawsuit, Indemnitor agrees upon Lender's request to submit to the jurisdiction of the courts of Washoe County, State of Nevada. (Initial Here)

Joint and Several Liability. All obligations of Indemnitor under this Agreement shall be joint and several, and all references to Indemnitor shall mean each and every Indemnitor. This means that each Indemnitor signing below is responsible for all obligations in this Agreement.

No Waiver by Lender. Lender shall not be deemed to have waived any rights under this Agreement unless such waiver is given in writing and signed by Lender. No delay or omission on the part of Lender in exercising any right shall operate as a waiver of such right or any other right. A waiver by Lender of a provision of this Agreement shall not prejudice or constitute a waiver of Lender's right otherwise to demand strict compliance with that provision or any other provision of this Agreement. No prior waiver by Lender, nor any course of dealing between Lender and Indemnitor, shall constitute a waiver of any of Lender's rights or of any of Indemnitor's obligations as to any future transactions. Whenever the consent of Lender is required under this Agreement, the granting of such consent by Lender in any instance shall not constitute continuing consent to subsequent instances where such consent is required and in all cases such consent may be granted or withheld in the sole discretion of Lender. Indemnitor hereby waives notice of acceptance of this Agreement by Lender.

Notices. Any notice required to be given under this Agreement shall be given in writing, and shall be effective when actually delivered, when actually received by telefacsimile (unless otherwise required by law), when deposited with a nationally recognized overnight courier, or, if mailed, when deposited in the United States mail, as first class, certified or registered mail postage prepaid, directed to the addresses shown near the beginning of this Agreement. Any party may change its address for notices under this Agreement by giving formal written notice to the other parties, specifying that the purpose of the notice is to change the party's address. For notice purposes, Indemnitor agrees to keep Lender informed at all times of Indemnitor's current address. Unless otherwise provided or required by law, if there is more than one Indemnitor, any notice given by Lender to any Indemnitor is deemed to be notice given to all Indemnitors.

Severability. If a court of competent jurisdiction finds any provision of this Agreement to be illegal, invalid, or unenforceable as to any person or circumstance, that finding shall not make the offending provision illegal, invalid, or unenforceable as to any other person or circumstance. If feasible, the offending provision shall be considered modified so that it becomes legal, valid and enforceable. If the offending provision cannot be so modified, it shall be considered deleted from this Agreement. Unless otherwise required by law, the illegality, invalidity, or unenforceability of any provision of this Agreement shall not affect

the legality, validity or enforceability of any other provision of this Agreement.

Successors and Assigns. Subject to any limitations stated in this Agreement on transfer of Indemnitor's interest, this Agreement shall be binding upon and inure to the benefit of the parties, their successors and assigns. If ownership of the Property becomes vested in a person other than Indemnitor, Lender, without notice to Indemnitor, may deal with Indemnitor's successors with reference to this Agreement and the Indebtedness by way of forbearance or extension without releasing Indemnitor from the obligations of this Agreement or liability under the Indebtedness.
