ASSIGNMENT AND ASSUMPTION AGREEMENT

(Real Property Leases, Agreements, Rights of Way and Easements)

This Assignment and Assumption Agreement (Real Property Leases, Agreements, Rights of Way and Easements) (this "Assignment"), executed to be effective as of 12:01 Pacific Daylight Time on July 1, 2019 ("Effective Date"), is between Newmont USA Limited, a Delaware corporation, whose address is 6363 S. Fiddler's Green Circle, Suite 800, Greenwood Village, Colorado 80111 ("Assignor"), to Nevada Gold Mines LLC, a Delaware limited liability company, whose address is 1655 Mountain City Highway, Elko, Nevada 89801 ("Assignee").

Recitals

1. Assignor's parent company, Newmont Goldcorp Corporation, formerly known as Newmont Mining Corporation, and Barrick Gold Corporation are parties to that certain Implementation Agreement dated March 10, 2019, as amended (the "Agreement").

2. Pursuant to the Agreement, Assignor's parent company, Newmont Goldcorp Corporation, agreed, among other things, to cause Assignor to assign to Assignee all or part of Assignor's right, title and interest in, to and under certain real property leases, agreements, rights of way, easements and related matters described in Exhibit A to this Assignment (collectively, the "Assigned Agreements").

3. Pursuant to the Agreement, the parties to the Agreement agreed, among other things, to cause Assignee to assume all Newmont Assumed Liabilities in, under or related to the assigned portions of the Assigned Agreements.

4. Assignor and Assignee execute this Assignment with respect to the Assigned Agreements in order to fulfill, in part, their obligations under the Agreement. The Assigned Agreements relate to real property located in Elko County, Eureka County, Humboldt County, Lander County and Pershing County, Nevada.

Assignment and Assumption

For good and valuable consideration, the receipt and sufficiency of which are acknowledged by the parties, and subject to the terms and conditions set forth in the Agreement (including, without limitation, Section 5.13(a) thereof), Assignor (i) sells, assigns and transfers to Assignee, its successors and assigns forever, free and clear of all Encumbrances other than Permitted Encumbrances, all of Assignor's right, title and interest in, to and under the Assigned Agreements described in Part 1 of Exhibit A, and (ii) sells, assigns and transfers to Assignee, its successors and assigns forever, free and clear of all Encumbrances other than Permitted Encumbrances, all of Assignor's right, title, and interest in, to and under the Assigned Agreements described in Part 2 of Exhibit A only as to the property described in Part 2 of Exhibit A ("Assigned Property"), to have and to hold forever.

As of the Effective Date, Assignee accepts the assignments, and (i) assumes and agrees to perform and satisfy all Newmont Assumed Liabilities in, under or related to the Assigned Agreements described in Part 1 of Exhibit A, and (ii) assumes and agrees to perform and satisfy all Newmont Assumed Liabilities in, under or related to the Assigned Agreements described in Part 2 of Exhibit A only as to the Assigned Property.

This Assignment shall not affect Assignor's rights, title, interests, obligations, liabilities or responsibilities as to any properties that are subject to the Assigned Agreements described in Part 2 of Exhibit A, other than the Assigned Property.

Notwithstanding the foregoing, to the extent that the sale, assignment and transfer of any Assigned Agreement pursuant to this Assignment requires prior consent or approval of any Person or Governmental Authority, and such consent or approval has not been obtained prior to or on the Effective Date, then such Assigned Agreement shall be a Non-Assignable Asset under, and shall be subject to, Section 5.12 of the Agreement and the sale, assignment and transfer of any such Assigned Agreement pursuant to this Assignment shall not be effective until such consent or approval shall have been obtained. Upon obtaining such consent or approval, the sale, assignment and transfer of any such Assigned Agreement pursuant to this Assignment shall become effective automatically without any further action on the part of the parties hereto; provided that such sale, assignment and transfer shall be subject to all royalties conveyed by Assignee to Assignor or an Affiliate of Assignor on minerals produced from the properties covered by the Assigned Agreements. To the greatest extent permitted by Law, all Newmont Assumed Liabilities in, under or related to any such Non-Assignable Asset shall be, and shall for all purposes be deemed to be, assumed by Assignee as of the Effective Date and Assignee shall thereafter be fully responsible and liable therefor.

Assignor and Assignee agree that advance royalties that become due pursuant to Section 5.A and Schedule I of that Mining Lease dated December 3, 2014, which is described in Part 2.E of Exhibit A hereto ("Mining Lease") will be payable as follows: (i) for all advance royalties that become due prior to the 20th anniversary of the Mining Lease, Assignor shall pay to the lessors 45.5% of the total advance royalties that become due, and Assignee shall pay to lessors 54.5% of the total advance royalties that become due; and (ii) beginning on the 20th anniversary of the Mining Lease, Assignor shall be responsible for paying the annual per acre advance

royalty that becomes due for the leased properties in which it continues to hold a leasehold interest pursuant to the Mining Lease, and Assignee shall be responsible for paying the annual per acre advance royalty that becomes due for the leased properties in which it continues to hold a leasehold interest pursuant to the Mining Lease. Assignor and Assignee agree that each party may credit against future production royalties that become due on production from their respective portions of the properties under the Mining Lease only those advance royalties that it paid to the lessors.

This Assignment incorporates by reference the representations and warranties, and associated limitations and disclaimers, made in the Agreement with respect to the Assigned Agreements.

This Assignment and the covenants contained herein shall extend to and be binding upon and every benefit hereof shall inure to the parties hereto, their respective successors and assigns. This Assignment is intended to and does convey any after acquired title or interest in and to the Assigned Agreements described in Part 1 of Exhibit A, or with, in and to the Assigned Agreements described in Part 2 of Exhibit A only with respect to the Assigned Property, that Assignor may hereafter acquire, excluding any royalties conveyed by Assignee to Assignor or an Affiliate of Assignor on minerals produced from the properties covered by the Assigned Agreements or any other title or interest in and to any Assigned Agreement and subject properties acquired by Assignor or an Affiliate of Assignor in connection with or following Assignee's abandonment or other divestiture of its interest in that Assigned Agreement or subject properties pursuant to the JV Agreement.

This Assignment, being further documentation of the transactions contemplated by the Agreement, is subject in all respects to the terms and conditions of the Agreement. In the event of a conflict between any provision of this Assignment and any provision of the Agreement, the provisions of the Agreement shall control. Capitalized terms used but not defined in this Assignment shall have the meanings ascribed to them in the Agreement.

This Assignment shall be governed by the laws of the State of Nevada.

This Assignment may be executed in counterparts, each of which when so executed will be deemed to be an original and when taken together shall constitute the entire and same agreement.
