ASSIGNMENT OF ROYALTIES, LEASES AND RENTS, SECURITY AGREEMENT,  
FIXTURE FILING AND AS-EXTRACTED COLLATERAL FILING**

This Third Amendment of Fee and Leasehold Deed of Trust, Assignment of Royalties, Leases and Rents, Security Agreement, Fixture Filing and As-Extracted Collateral Filing (the "Third Amendment") is made among McEwen Mining Inc., a Colorado corporation, Gold Bar Enterprises LLC, a Nevada limited liability company ("Gold Bar Enterprises"), Ticup LLC, a Nevada limited liability company, NPGUS LLC, a Nevada limited liability company, Nevada Pacific Gold (US), Inc., a Nevada corporation, WKGUS LLC, a Nevada limited liability company, Golden Pick LLC, a Nevada limited liability company, McEwen Mining Nevada Inc., a Delaware corporation, and Tonkin Springs LLC, a Delaware limited liability company (collectively, the "Trustor"), and Royal Capital Management Corp., as Administrative Agent for the benefit of Lenders (the "Beneficiary").

**RECITALS**

A. Pursuant to the terms of a Credit Agreement dated August 10, 2018 (as amended, supplemented or otherwise modified from time to time, the "Loan Agreement"), Beneficiary, as Lender, agreed to extend credit described therein to McEwen Mining, Inc., a Colorado corporation ("Borrower"), in an aggregate principal amount not to exceed \$50,000,000.

B. The obligations of Borrower under the Loan Agreement and the Loan Documents are guaranteed pursuant to the terms of an Omnibus Guarantee and Indemnity dated August 10, 2018 (as amended, supplemented or otherwise modified from time to time, the

“Guarantee Agreement”), by Trustor, 10393444 Canada Inc., Lexam VG Gold Inc., 912413 Ontario Inc., VG Holdings Inc., Tonkin Springs Gold Mining Company, U.S. Environmental Corp., Tonkin Springs Venture Limited Partnership, Pangea Resources Inc., and Lexam Explorations (U.S.A.) Inc., collectively as Guarantors, in favor of Beneficiary, as Secured Party.

C. The obligations of Borrower under the Loan Agreement and the Loan Documents and the obligations of Trustor and the other Guarantors under the Guarantee Agreement and the Loan Documents, including, without limitation, the Obligations, are secured by, among other instruments, the Fee and Leasehold Deed of Trust, Assignment of Royalties, Leases and Rents, Security Agreement, Fixture Filing and As-Extracted Collateral Filing dated August 10, 2018, recorded in the Office of the Eureka County Recorder, Nevada, on August 10, 2018, as Document No. 2018-235800 (together with all amendments thereto, the “Deed of Trust”), which was amended as follows: (1) first by the Amendment of Fee and Leasehold Deed of Trust, Assignment of Royalties, Leases and Rents, Security Agreement, Fixture Filing and As-Extracted Collateral Filing dated effective January 31, 2019, recorded in the Office of the Eureka County Recorder, Nevada, on January 31, 2019, as Document No. 2019-238000; and (2) again by the Second Amendment of Fee and Leasehold Deed of Trust, Assignment of Royalties, Leases and Rents, Security Agreement, Fixture Filing and As-Extracted Collateral Filing dated effective March 29, 2019, recorded in the Office of the Eureka County Recorder, Nevada, on March 25, 2019, as Document No. 2019-238381.

D. Trustor has acquired additional property interests and rights (or obtained authorization to encumber certain property interests and rights, as applicable) in Eureka County, Nevada, more particularly described on Exhibit A and Exhibit B attached hereto (collectively the “Additional Real Property”), which Trustor and Beneficiary acknowledge are subject to the lien of the Deed of Trust. The parties desire to amend the Deed of Trust to confirm Beneficiary’s lien and security interest in the Additional Real Property and that the Additional Real Property secures the Secured Obligations, and to include a description thereof in the description of the Real Property subject to the Deed of Trust.

Capitalized terms used herein and not otherwise defined herein or in the Deed of Trust shall have the meaning set forth in Loan Agreement or the Guarantee Agreement, as applicable.

In consideration of the foregoing recitals and other good and valuable consideration, the receipt and sufficiency of which the parties acknowledge, the parties agree as follows.

1. To the extent not already included within the Real Property subject to the Deed of Trust, the Deed of Trust is amended to provide that (a) the real property comprising part of the Additional Real Property described in Exhibit A attached to and by this reference incorporated in this Third Amendment is included in the description of the Real Property in the Deed of Trust as Patented Land and shall be covered by and subject to the Deed of Trust; and

(b) the unpatented mining claims and millsite claims comprising part of the Additional Real Property described in Exhibit B attached to and by this reference incorporated in this Third Amendment is included in the description of the Real Property in the Deed of Trust as Unpatented Claims and shall be covered by and subject to the Deed of Trust; and in furtherance of the foregoing, Trustor hereby grants, bargains, sells, transfers and assigns to Trustee (as defined in the Deed of Trust), in trust, with power of sale, for the benefit of Beneficiary, as security for the Secured Obligations, all of the interests and rights in the Additional Real Property, all Water Rights appurtenant to such Additional Real Property, all Improvements now located or later to be constructed thereon, all Leases of such Additional Real Property and all Personal Property located on or used in connection with the Additional Real Property, including, without limitation, all clays, metals, mineral-bearing ores, precipitates, concentrates, as-extracted minerals, or the mineral-bearing material which is mined, removed or extracted from the Additional Real Property, subject to the terms and conditions set forth in the Deed of Trust. All references in the Deed of Trust to the Land shall be deemed to include the Additional Real Property.

2. Subject to the terms and conditions of this Third Amendment, the Deed of Trust is hereby amended to the extent necessary to give effect to the provisions of this Third Amendment and to incorporate the provisions of this Third Amendment into the Deed of Trust. The Deed of Trust, together with this Third Amendment, are to be read together and have effect so far as practicable as though the provisions of the Deed of Trust and the relevant provisions of this Third Amendment are contained in one document.

3. Trustor hereby ratifies, approves, confirms, and continues the Deed of Trust and acknowledges and confirms that the Deed of Trust remains in full force and effect continually from and as of its effective date. All Liens (including any liens and security interests) created, extended, or renewed by the Deed of Trust are hereby confirmed, ratified, extended and continued by this Third Amendment.

4. This Third Amendment amends, ratifies, confirms and continues the Deed of Trust. Nothing contained in this Third Amendment shall be deemed or construed to (a) be a repayment, satisfaction, discharge, or novation of the Obligations or any part thereof or (b) release, waive, terminate, reconvey, discharge, novate, or in any way limit or impair any lien, security interest, encumbrance, or other Lien granted or given under the Deed of Trust or otherwise to secure the Secured Obligations.

5. This Third Amendment shall be governed by the laws of Nevada.

6. All references to the Deed of Trust in this Third Amendment or elsewhere are deemed to refer to the Deed of Trust as amended, confirmed, ratified and continued by this Third Amendment.

7. As and when requested to do so by Beneficiary from time-to-time, Trustor shall promptly deliver to Beneficiary all filings, confirmations, ratifications, amendments, and other documents and certificates reasonably requested by Beneficiary for the purpose of confirming, maintaining, continuing, protecting, or perfecting the Deed of Trust, the Liens (including the liens and security interests) granted in the Deed of Trust, and the rights and remedies of the Beneficiary under the Deed of Trust.

8. The execution, delivery and effectiveness of this Third Amendment shall not operate as a waiver, or be deemed to operate as a waiver, of any rights, powers or remedies of Beneficiary under the Deed of Trust or constitute a waiver of any provision of the Deed of Trust, nor shall this Third Amendment operate as or constitute consent to, or waiver of, any prior or existing default, event of default (including any Event of Default), or breach of any provision of any instrument, or otherwise limit, diminish, prejudice, or waive any right or remedy that Beneficiary may have with respect hereto and thereto.

9. The Beneficiary hereby reserves all of its rights, powers, and remedies under the Deed of Trust, the Loan Agreement, the Guaranty Agreement, and all other instruments executed in conjunction with the Loan Agreement or the Guaranty Agreement.

10. Any provision of this Third Amendment which is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

11. This Third Amendment shall bind and inure to the benefit of the parties and their respective successors and assigns.

12. This Third Amendment may be executed in any number of counterparts, each of which will for all purposes be deemed to be an original.
