

3. EUREKA COUNTY relinquishes these water rights for purposes of Order #1288, the domestic well credit program within the Diamond Valley Hydrographic Basin (153). This relinquishment of water rights is for the purpose of offsetting the water withdrawn from domestic wells to homes, or for the dedication of water to newly created parcels located at the place described below and reflected on the attached map:

SE NW, Section 32, Township 20 North, Range 53 East, M.D.B.&M. (APN: 007-340-29).
Parcel 2 of Parcel Map recorded on November 6, 2008 as Document No. 0212715 in the Eureka County Recorder's Office.

SW NE, Section 32, Township 20 North, Range 53 East, M.D.B.&M. (APN: 007-340-30).
Parcel 3 of Parcel Map recorded on November 6, 2008 as Document No. 0212715 in the Eureka County Recorder's Office.

SE NW, Section 32, Township 20 North, Range 53 East, M.D.B.&M. (APN: 007-340-36).
Parcel 1 of Parcel Map recorded on June 20, 2013 as Document No. 0224471 in the Eureka County Recorder's Office.

4. I have attached a reduced, scaled, 8 1/2 X 11" copy of the tentative parcel map. Based upon information and belief, the original tentative parcel map has been prepared to the standards of NRS 278.466.

5. I understand that this relinquishment must be approved by the Nevada State Engineer in order for it to become effective.

6. I am aware that, under NRS 534.350, a county may dedicate and relinquish sufficient water rights to offset water withdrawals from domestic wells of new homes. Water rights so relinquished revert to the source of the water. Should these homes later be added to a public water system, the public water system is entitled to receive a credit in the same manner as the addition of any other customer to the public water system pursuant to NRS 534.350.
