TRUSTOR HEREBY COVENANTS AND FURTHER AGREES AS FOLLOWS:

ARTICLE 1
COVENANTS AND AGREEMENTS OF TRUSTOR

1.01 Payment and Performance of Obligations; Protection of Lien.

(a) Trustor shall not sell, transfer, convey, lease, let, mortgage, pledge, encumber, create, or permit a lien on or security interest in, or otherwise hypothecate all or any part of the Trust Estate except for liens, encumbrances and transfers expressly permitted under the CVR Agreement.

(b) This Deed of Trust provides a first position security interest and lien against the Trust Estate, subject to the terms and conditions of the CVR Agreement. Trustor shall forever warrant and defend the title to the Trust Estate and priority of the lien of this Deed of Trust unto Beneficiary against the claims of all persons whomsoever.

(c) Trustor shall pay, or cause to be paid, when due and/or perform, or cause to be performed, each of the Secured Obligations. All covenants contained in the Master Agreement and in the CVR Agreement are hereby incorporated into this Deed of Trust by reference.

1.02 Maintenance, Repair, Alterations. Trustor shall keep, maintain, preserve and protect the Trust Estate in good repair, working order, and condition, ordinary wear and tear excepted. Trustor shall: (a) complete any Improvement that may now be or hereafter constructed in good and workmanlike manner; and (b) restore any Improvements that may be damaged or destroyed to substantially the same condition as existing immediately before such damage or destruction and pay when due all claims for labor performed and materials furnished therefor, in either case excepting any Improvements that Trustor does not reasonably consider to be material to the business of Trustor. Trustor shall comply in all material respects with all Requirements (as defined below) and shall not suffer to occur or exist any violation in any material respect of any Requirement. Trustor shall not commit or permit any waste or deterioration of the Trust Estate, and, to the extent permitted by law or required by the CVR Agreement, shall keep and maintain abutting grounds, roads, parking areas, etc. in good and neat order and repair. Trustor shall perform in all material respects its obligations under each Lease and the CC&Rs, if any. “**Requirement**” and “**Requirements**” mean, respectively, each and all obligations and requirements now or hereafter in effect by which Trustor or the Trust Estate are bound or which are otherwise applicable to the Trust Estate, any work or activity necessary to preserve and maintain the Trust Estate, preserve or maintain mining, leasehold or other rights in the Trust Estate, any construction of any Improvements on the Trust Estate, or operation, occupancy or use of the

Trust Estate (including (i) such obligations and requirements imposed by common law or any law, statute, ordinance, regulation, or rule (federal, state, or local), including any mining reports, filings, verifications of mining activity, etc. and (ii) such obligations and requirements of, in, or in respect of (A) any consent, authorization, license, permit, or approval relating to the Trust Estate, (B) any condition, covenant, restriction, easement, or right-of-way reservation applicable to the Trust Estate, (C) any lien or encumbrance, (D) any other agreement, document, or instrument to which Trustor is a party or by which Trustor or the Trust Estate is bound or affected (including the CC&Rs, if any, and the Other Agreements), and (E) any order, writ, judgment, injunction, or award of any arbitrator, other private adjudicator, court, government, or governmental authority (federal, state, or local) to which Trustor is a party or by which Trustor or the Trust Estate is bound or affected).

1.03 Required Insurance. Trustor shall at all times provide, maintain and keep in force or cause to be provided, maintained and kept in force with respect to the Trust Estate, at no expense to Trustee or Beneficiary, policies of insurance in accordance with prudent mining practices or as required by the Master Agreement or CVR Agreement. All such policies of insurance required by this Deed of Trust shall contain endorsements or agreements by the insurer that any loss shall be payable in accordance with the terms of such policy notwithstanding any act or negligence of Trustor or any party holding under Trustor that might otherwise result in forfeiture of said insurance and the further agreement of the insurer waiving all rights to set off, counterclaims and deductions against Trustor. Prior to the expiration of each required policy, Trustor shall deliver to Beneficiary evidence reasonably satisfactory to Beneficiary of the payment of the premium and the renewal or replacement of such policy continuing insurance in form as required by this Deed of Trust, the Master Agreement, or the CVR Agreement.

1.04 Payment of Premiums. In the event Trustor fails to obtain, maintain, or deliver to Beneficiary the policies of insurance with respect to the Trust Estate required under this Deed of Trust, Beneficiary may but without any obligation to do so, obtain such policies or take other action that it deems appropriate to remedy the failure and pursue its rights and remedies in the CVR Agreement and in this Deed of Trust. All sums, including reasonable attorneys' fees, so expended by or on behalf of Beneficiary will be a lien on the Trust Estate, will be secured by this Deed of Trust, and will be paid by Trustor on demand, together with interest at twelve percent (the "**Interest Rate**"). No payment or other action by Beneficiary under this Deed of Trust, including this section, will impair any other right or remedy available to Beneficiary or constitute a waiver of any default.

1.05 Casualties; Insurance Proceeds. After the happening of any material casualty to or in connection with the Trust Estate or any part thereof, whether or not covered by insurance, Trustor shall give prompt written notice thereof to Beneficiary. All proceeds of property casualty insurance with respect to the Trust Estate shall be payable to Beneficiary. If Trustor receives any proceeds of insurance resulting from such casualty, Trustor shall promptly pay over such proceeds to Beneficiary.

1.06 Assignment of Policies Upon Foreclosure. In the event of foreclosure of this Deed of Trust as a mortgage, a sale under the power of sale, or any other transfer of title or assignment of the Trust Estate in extinguishment, in whole or in part, of the Secured Obligations, all right, title

and interest of Trustor in and to all policies of insurance required by Section 1.03 shall inure to the benefit of and pass to the successor in interest to Trustor or the purchaser or grantee of the Trust Estate, to the extent such policies are assignable pursuant to the terms thereof.

1.07 Waiver of Offset. Except for such notice as may be expressly required hereunder or under the CVR Agreement, all sums payable by Trustor pursuant to the CVR Agreement or this Deed of Trust shall be paid without notice, demand, counterclaim, setoff, deduction or defense and without abatement, suspension, deferment, diminution or reduction, and the obligations and liabilities of Trustor hereunder shall in no way be released, discharged or otherwise affected (except as expressly provided herein) by reason of: (i) any damage to or destruction of or any condemnation or similar taking of the Trust Estate or any part thereof; (ii) any restriction or prevention of or interference by any person with any use of the Trust Estate or any part thereof; (iii) any title defect or encumbrance or any eviction from the Real Property or the Improvements or any part thereof by title paramount or otherwise; (iv) any bankruptcy, insolvency, reorganization, composition, adjustment, dissolution, liquidation or other like proceeding relating to Beneficiary, or any action taken with respect to this Deed of Trust by any trustee or receiver of Beneficiary, or by any court, in any such proceeding; or (v) any other occurrence whatsoever, whether similar or dissimilar to the foregoing; whether or not Trustor shall have notice or knowledge of any of the foregoing.

1.08 Impositions.

(a) Trustor shall pay, or cause to be paid, before the date due, and in any event before delinquency, all real and personal property taxes and assessments, general and special, and all other taxes and assessments of any kind or nature whatsoever (including nongovernmental levies or assessments such as property owners' association assessments, fees and dues, maintenance charges, water charges, water toll charges, irrigation fees and assessments, levies, or charges resulting from CC&Rs affecting the Trust Estate), that are assessed or imposed upon the Trust Estate or become due and payable and that create or may create if not paid a lien upon the Trust Estate (the above are sometimes referred to herein individually as an "**Imposition**" and collectively as "**Impositions**"), provided, however, that if by law any Imposition is payable, or may at the option of the taxpayer be paid, in installments, Trustor may pay the same or cause it to be paid, together with any accrued interest on the unpaid balance of such Imposition, in installments as the same becomes due and before any fine, penalty, interest, or cost may be added thereto for the nonpayment of any such installment and interest.

(b) If at any time after the date hereof there shall be assessed or imposed a fee, tax, or assessment on Beneficiary (other than income taxes) and measured by or based in whole or in part upon this Deed of Trust or the outstanding amount of the Secured Obligations, then all such taxes, assessments or fees shall be deemed to be included within the term "**Impositions**" as defined in Section 1.08(a) and Trustor shall, subject to Section 1.08(c), pay and discharge the same as herein provided with respect to the payment of Impositions. Subject to Section 1.08(c), if Trustor fails to pay such Impositions before delinquency, Beneficiary may, at its option, pay such Imposition or take other action that it deems appropriate to remedy the failure and pursue any and all rights and remedies hereunder or under the CVR Agreement as an Event of Default, and such remedies may be pursued individually, singly or concurrently. All sums, including reasonable attorneys' fees,

so expended by or on behalf of Beneficiary shall be a lien on the Trust Estate, shall be secured by this Deed of Trust, and shall be paid by Trustor on demand, together with interest at the Interest Rate.

(c) Trustor shall have the right before and after any delinquency occurs to contest or object to the amount or validity of any Imposition by appropriate proceedings, but this shall not be deemed or construed in any way as relieving, modifying, or extending Trustor's covenant to pay any such Imposition at the time and in the manner provided in this Section 1.08, unless Trustor has given prior written notice to Beneficiary of Trustor's intent to so contest or object to an Imposition, and unless, in Beneficiary's absolute and sole discretion, (i) Trustor shall demonstrate to Beneficiary's satisfaction that the proceedings to be initiated by Trustor shall conclusively operate to prevent the sale of the Trust Estate or any part thereof or interest therein to satisfy such Imposition before final determination of such proceedings, (ii) Trustor shall furnish a good and sufficient bond or surety as requested by and satisfactory to Beneficiary, or (iii) Trustor shall demonstrate to Beneficiary's satisfaction that Trustor has provided a good and sufficient undertaking as may be required or permitted by law to accomplish a stay of any such sale.

1.09 Utilities. Trustor shall pay when due all charges that are incurred by Trustor for the benefit of the Trust Estate or that may become a charge or lien against the Trust Estate for gas, electricity, water, sewer, or other services furnished to the Trust Estate.

1.10 Actions Affecting Trust Estate. Trustor shall notify Beneficiary promptly upon obtaining written notice of any condemnation proceeding against the Trust Estate. Trustor shall appear in and contest any action or proceeding purporting to affect the security hereof or the rights or powers of Beneficiary or Trustee hereunder, and shall pay all reasonable and documented costs and expenses (including costs of evidence of title, litigation and attorneys' fees) in any such action or proceeding in which Beneficiary or Trustee may appear. Notwithstanding the foregoing, Beneficiary may, but shall not be required to, participate in any such proceedings or contest, at Trustor's sole cost and expense.

1.11 Appointment of Successor Trustee. Beneficiary may, from time to time, by a written instrument executed and acknowledged by Beneficiary, mailed to Trustor and recorded in the county in which the Trust Estate is located and by otherwise complying with the provisions of applicable law, substitute a successor or successors to any Trustee named herein or acting hereunder, and such successor(s) shall, without conveyance from the Trustee predecessor, succeed to all title, estate, rights, powers and duties of such predecessor.

1.12 Trustee's Powers. At any time, or from time to time, without liability therefor and without notice, upon written request of Beneficiary and without affecting the personal liability of any person for payment of the Secured Obligations or the effect of this Deed of Trust upon the remainder of said Trust Estate, Trustee may: (a) reconvey any part of said Trust Estate, (b) consent in writing to the making of any map or plat thereof, (c) join in granting any easement thereon, or (d) join any extension agreement or any agreement subordinating the lien or charge hereof.

1.13 Beneficiary's Powers. Without affecting the liability of any person liable for the payment of the Secured Obligations herein mentioned, and without affecting the lien or charge of this Deed of Trust upon any portion of the Trust Estate not then or theretofore released as security

for the Secured Obligations, Beneficiary may, from time to time and without notice: (a) release any person so liable, (b) extend the Secured Obligations, (c) release or reconvey, or cause to be released or reconveyed, at any time at Beneficiary's option any parcel, portion or all of the Trust Estate, (d) take or release any other or additional security or any guaranty for any Secured Obligations herein mentioned, or (e) make compositions or other arrangements with debtors in relation thereto.

1.14 Compliance with Law. Trustor shall comply in all material respects with all laws, rules, ordinances, regulations, covenants, conditions, restrictions, easements and agreements pertaining to the Trust Estate. Trustor shall not permit, commit, or suffer any act to be done in or upon the Trust Estate in violation of law. Trustor shall not initiate or acquiesce in any change in any zoning or other land use classification now or hereafter in effect and affecting the Trust Estate or any part thereof nor shall Trustor otherwise change or attempt to change the use of the Trust Estate or any portion thereof without in each case obtaining Beneficiary's prior written consent thereto.

1.15 Mining Claims. Except as otherwise permitted under the CVR Agreement, Trustor agrees not to amend, modify, sell, transfer, convey, lease, sublease or terminate any of the Mining Claims which comprise a portion of the Trust Estate without the express written consent of Beneficiary, which consent may be given or withheld, conditioned or delayed in Beneficiary's sole and absolute discretion. Consent to one amendment, modification, or termination shall not be deemed to be a waiver of the right to require consent to other, future or successive amendments, modifications, or terminations. To the extent required under the CVR Agreement or by applicable law, Trustor agrees to and shall perform all obligations and agreements necessary to maintain all of the Mining Claims and shall not take any action or omit to take any action that would adversely affect or permit the termination of any Mining Claim. Trustor agrees to notify Beneficiary in writing with respect to any claim made or threatened against the validity or good standing of any portion of the Mining Claims. Trustor shall perform any required assessment work and timely prepare, record and file appropriate evidence of such work, together with the payment of all applicable fees as may be required from time to time under federal or state law. Trustor shall timely pay all annual mining claim maintenance or rental fees and make all federal and state filings with respect to the Mining Claims as are necessary or beneficial to maintain the Mining Claims in full effect as valid unpatented mining claims under federal and state law. Without limiting the foregoing, by no later than July 15th of each year, Trustor shall deliver to Beneficiary documentation of acknowledgment by the United States Bureau of Land Management ("BLM") that the annual unpatented mining claim maintenance fees for all unpatented Mining Claims have been paid and copies of the annual affidavit and notice of intent to hold such Mining Claims as recorded in Eureka County, Nevada. Trustor shall provide to Beneficiary a copy of all material correspondence received from, or sent to, the BLM, the Eureka County Recorder and any third party concerning the unpatented Mining Claims within ten business days following receipt or transmittal by Trustor.

1.16 Water Rights. Trustor shall cause any and all Water Rights to be maintained in good standing. Trustor shall cause any and all equipment and facilities used in connection with the Water Rights to be maintained in a safe and properly operable condition. Trustor shall consistently place the Water Rights to beneficial use in a manner sufficient to prevent any possible

forfeiture or partial forfeiture of any Water Right; provided, however, that Trustor, acting reasonably, may instead seek and obtain appropriate regulatory authorizations for nonuse of water prior to the time that any Water Right becomes subject to forfeiture or partial forfeiture. Trustor shall comply with all applicable statutes and rules pertaining to use of the Water Rights.

1.17 Indemnification. Trustor shall protect, indemnify, save harmless and defend Beneficiary and Trustee and their respective affiliates, officers, directors, shareholders, members, managers, employees, successors and assigns from and against any and all liability, loss, costs, charges, penalties, obligations, expenses, attorneys' fees, litigation, judgments, damages, claims and demands imposed upon or incurred by or asserted against Beneficiary or Trustee by reason of (a) ownership by Trustee or Beneficiary of its interest in any portion of the Trust Estate pursuant to this Deed of Trust, (b) any accident or injury to or death of persons or loss of or damage to or loss of the use of property occurring on or about the Trust Estate or any part thereof, (c) any use, non-use or condition of the Trust Estate or any part thereof, (d) any failure on the part of Trustor to perform or comply with any of the terms of this Deed of Trust or any instrument or agreement secured hereby, (e) performance of any labor or services or the furnishing of any materials or other property in respect of the Trust Estate or any part thereof made or suffered to be made by or on behalf of Trustor, (f) any negligence or tortious act on the part of Trustor or any of its employees, agents, contractors, lessees, licensees or invitees, (g) any work in connection with any alterations, changes, new construction or demolition of the Trust Estate, whether or not permitted hereunder or (h) the exercise by Beneficiary of any of its rights and remedies, or the performance of any of its obligations, under this Deed of Trust, except, in each case of the foregoing, to the extent such liability, loss, costs, charges, penalties, obligations, expenses, attorneys' fees, litigation, judgments, damages, claims or demands results from the gross negligence, bad faith or willful misconduct (as determined pursuant to a non-appealable judgement by a court of competent jurisdiction) of such Trustee, Beneficiary or any of their respective affiliates, officers, directors, shareholders, members, managers, employees, successors or assigns which are seeking indemnification hereunder. All amounts payable to Beneficiary or Trustee, as the case may be, under this Section 1.17 shall be payable on demand and shall be deemed indebtedness secured by this Deed of Trust.

ARTICLE 2 ASSIGNMENT OF RENTS

2.01 Assignment of Rents. Trustor hereby irrevocably, absolutely, presently and unconditionally assigns, transfers and grants to Beneficiary (i) all present and future right and interest in and to the Rents, and hereby gives to and confers upon Beneficiary the right, power and authority to collect the Rents, at any time, with or without notice, and (ii) all of Trustor's estate, right, title, interest, claim and demand, as landlord, under any and all of the Leases. The assignment of the Rents and Leases in this Article 2 is intended to be an absolute assignment from Trustor to Beneficiary and not merely the passing of a security interest. Trustor irrevocably appoints Beneficiary, effective upon and during the continuation of an Event of Default, its true and lawful attorney-in-fact, at the option of Beneficiary at any time and from time to time, to demand, receive and enforce payment, to give receipts, releases and satisfactions, and to sue, in the name of Trustor or Beneficiary, for all Rents and apply the same to the payment of the Secured Obligations in such order as Beneficiary shall determine. Trustor hereby authorizes and directs

the lessees, occupants and tenants under Leases to make all payments under the Leases directly to Beneficiary upon written demand by Beneficiary (which may be made at any time on and after an Event of Default), without further consent of Trustor.

2.02 License to Collect Rents. Beneficiary hereby confers upon Trustor a revocable license (“**License**”) to collect and retain the Rents as they become due and payable (but not more than one month in advance unless the written approval of Beneficiary is first obtained), and to retain and enjoy the same, so long as no revocation of the License by Beneficiary has occurred after the occurrence and during the continuance of an Event of Default. For the avoidance of doubt, Beneficiary may not revoke the License unless and until an Event of Default has occurred and is continuing. If an Event of Default has occurred and is continuing, Beneficiary shall have the right, which it may choose to exercise in its sole discretion, to terminate this License with or without notice to or demand upon Trustor, and without regard to the adequacy of Beneficiary’s security under this Deed of Trust.

2.03 Collection Upon an Event of Default. After the occurrence and during the continuance of an Event of Default and Beneficiary’s subsequent revocation of the License, Beneficiary may, at any time with or without notice, either in person, by agent or by a receiver appointed by a court, and without regard to the adequacy of any security for the Secured Obligations, enter upon and take possession of the Trust Estate, or any part thereof, and, with or without such entry or taking possession, in its own name sue for or otherwise enforce the Leases and collect the Rents (including those past due and unpaid) and apply the same, less costs and expenses of operation and collection (including reasonable attorneys’ fees) upon payment of the Secured Obligations in such order as Beneficiary may determine. The collection of such Rents, or the entering upon and taking possession of the Trust Estate, or the application of the Rents as aforesaid, shall not cure or waive any default or notice of default hereunder or invalidate any act done in response to such default or pursuant to such notice of default. Trustor also hereby authorizes Beneficiary upon such entry, at its option, to take over and assume the management, operation and maintenance of the Trust Estate and to perform all acts Beneficiary in its sole discretion deems necessary and proper and to expend such sums out of Rents as may be needed in connection therewith, in the same manner and to the same extent as Trustor theretofore could do (including the right to enter into new Leases, to cancel, surrender, alter or amend the terms of, and/or renew existing Leases and/or to make concessions to tenants).

2.04 Application of Rents. Upon receipt, Beneficiary shall, after payment of all property charges and expenses (including reasonable compensation to any receiver or managing agent) and after the accumulation of a reasonable reserve to meet requisite amounts, credit the net amount of the Rents received by it to the Secured Obligations, but the manner of the application of such net income and which items shall be credited shall be determined by Beneficiary pursuant to any applicable provisions of the CVR Agreement, but in all cases subject to applicable law. Beneficiary shall not be accountable for more monies than it actually receives from the Trust Estate, nor shall it be liable for failure to collect Rents. Beneficiary shall make reasonable efforts to collect Rents, reserving, however, within its own absolute and sole discretion, the right to determine the method of collection and the extent to which enforcement of collection of Rents shall be prosecuted and Beneficiary’s judgment shall be deemed conclusive and reasonable.

2.05 Mortgagee in Possession. It is not the intention of the parties hereto that an entry by Beneficiary upon the Real Property under the terms of this instrument shall make Beneficiary a party in possession in contemplation of the law, except at the option of Beneficiary.

2.06 Indemnity. Trustor hereby agrees to indemnify and hold harmless Beneficiary for, from and against any and all losses, liabilities, obligations, claims, demands, damages, penalties, judgments, costs, and expenses, including legal fees and expenses, howsoever and by whomsoever asserted, arising out of or in any way connected with this assignment, except, in each case to the extent resulting from the gross negligence, bad faith or willful misconduct (as determined pursuant to a non-appealable judgement by a court of competent jurisdiction) of Beneficiary; and all such losses, liabilities, obligations, claims, demands, damages, penalties, judgments, costs and expenses shall be deemed added to the indebtedness secured hereby and shall be secured by any and all other instruments securing said indebtedness.

2.07 No Obligation to Perform. Nothing contained herein shall operate or be construed to obligate Beneficiary to perform any obligations of Trustor under any Lease (including any obligation arising out of any covenant of quiet enjoyment therein contained in the event the lessee under any such Lease shall have been joined as a party defendant in any action to foreclose and the estate of such lessee shall have been thereby terminated). This Deed of Trust shall not operate to place upon Beneficiary any responsibility for the operation, control, care, management or repair of the Trust Estate or any portion thereof, and the execution of this Deed of Trust by Trustor shall constitute conclusive evidence that all responsibility for the operation, control, care, management and repair of the Trust Estate is and shall be that of Trustor.

ARTICLE 3 SECURITY AGREEMENT

3.01 Creation of Security Interest. Trustor hereby grants to Beneficiary, as secured party, a security interest in and to all the Personal Property as security for the prompt payment and performance when due of the Secured Obligations, whether now existing or hereafter arising.

3.02 Representations, Warranties and Covenants of Trustor. Trustor hereby represents, warrants and covenants (which representations, warranties and covenants shall survive the creation and expiration or satisfaction of any Secured Obligations) as of the date of this Deed of Trust and as of the Closing Date (as defined in the Master Agreement), as follows and acknowledges and confirms that Beneficiary is relying upon such representations warranties and covenants in entering into this Deed of Trust and in extending credit to Trustor:

(a) The Personal Property is not used or bought for personal, family or household purposes;

(b) Except as permitted under the CVR Agreement, the tangible portion of the Personal Property shall be kept on or at the Real Property or Improvements and Trustor shall not, without the prior written consent of Beneficiary (not to be unreasonably withheld, but subject to any rights of Beneficiary to approve pursuant to the CVR Agreement), remove the Personal Property or any portion thereof therefrom;

(c) Trustor hereby authorizes Beneficiary (in Beneficiary's sole discretion) to file one or more financing statements and continuations and/or execute one or more fixture filings and continuations pursuant to the Nevada Uniform Commercial Code as in effect from time to time in the State of Nevada, in form satisfactory to Beneficiary, and shall pay the cost of recording and filing the same in all public offices wherever recording or filing is deemed by Beneficiary to be necessary or desirable;

(d) Trustor is duly qualified to conduct business in the State of Nevada. Trustor does not do business under any trade name except as previously disclosed in writing to Beneficiary. Trustor shall promptly (but in any event at least 30 days before such change occurs) notify Beneficiary in writing of any change in its principal place of business or the adoption or change of its legal name, and shall upon request of Beneficiary, authorize any additional financing statements or execute any other certificates necessary to reflect the adoption or change in legal name. Trustor shall also notify Beneficiary of any change of Trustor's organizational identification number within 30 days after such change occurs;

(e) Trustor currently has, and shall continue to hold until this Deed of Trust is terminated and released in full, full right, power and authority to convey and mortgage the same and to execute this Deed of Trust;

(f) Trustor's exact legal name is correct in the introductory paragraph of this Deed of Trust; and

(g) Trustor's organizational identification number assigned by the jurisdiction of formation is 5495033.

3.03 Use of Personal Property by Trustor. Until the occurrence of an Event of Default (and thereafter, subject to the rights and remedies of Trustor and Beneficiary hereunder and under the CVR Agreement), Trustor may have possession of the Personal Property and use it in any lawful manner not inconsistent with this Deed of Trust or the CVR Agreement and not inconsistent with any policy of insurance thereon.

3.04 Remedies.

(a) In addition to the remedies provided in Section 4.02 hereof, upon the occurrence and during the continuance of an Event of Default, Beneficiary may, at its option, and subject to applicable law, do any one or more of the following:

(i) Either personally, or by means of a court appointed receiver, take possession of all or any of the Personal Property and exclude therefrom Trustor and all others claiming under Trustor, and thereafter hold, store, use, operate, manage, maintain and control, make repairs, replacements, alterations, additions and improvements to and exercise all rights and powers of Trustor with respect to the Personal Property or any part thereof. In the event Beneficiary demands, or attempts to take, possession of the Personal Property in the exercise of any rights under this Deed of Trust, Trustor agrees to promptly turn over and deliver possession thereof to Beneficiary;

(ii) Without notice to or demand upon Trustor, make such payments and do such acts as Beneficiary may deem necessary to protect its security interest in the Personal Property (including paying, purchasing, contesting or compromising any lien or encumbrance, whether superior or inferior to such security interest) and in exercising any such powers or authority to pay all expenses (including litigation costs and reasonable attorneys' fees) incurred in connection therewith;

(iii) Require Trustor from time to time to assemble the Personal Property, or any portion thereof, at a place designated by Beneficiary and reasonably convenient to both parties, and deliver promptly such Personal Property to Beneficiary, or an agent or representative designated by Beneficiary. Beneficiary, and its agents and representatives, shall have the right to enter upon any or all of Trustor's premises and property to exercise Beneficiary's rights hereunder;

(iv) Realize upon the Personal Property or any part thereof as herein provided or in any manner permitted by law and exercise any and all of the other rights and remedies conferred upon Beneficiary by this Deed of Trust and the CVR Agreement, or by law, either concurrently or in such order as Beneficiary may determine;

(v) Sell or cause to be sold in such order as Beneficiary may determine, as a whole or in such parcels as Beneficiary may determine, the Personal Property;

(vi) Sell, lease, or otherwise dispose of the Personal Property at public or private sale, upon terms and in such manner as Beneficiary may determine. Beneficiary may be a purchaser at any public sale; and

(vii) Exercise any other remedies of a secured party under the Nevada Uniform Commercial Code or any other applicable law.

(b) Unless the Personal Property is perishable or threatens to decline speedily in value or is of a type customarily sold on a recognized market, Beneficiary shall give Trustor at least ten days', or such longer time as may be required by applicable law, prior written notice of the time and place of any public sale of the Personal Property or other intended disposition thereof to be made under Section 3.04(a). Such notice may be mailed to Trustor at the address in Section 5.04. If Beneficiary fails to comply with this Section 3.04 in any respect, its liability for such failure shall be limited to the liability (if any) imposed on it as a matter of law under the Nevada Uniform Commercial Code (or under the Uniform Commercial Code, enforced from time to time, in any other state to the extent the same is the applicable law).

(c) The proceeds of any sale under Section 3.04(a) shall be applied in Beneficiary's sole discretion to the extent not inconsistent with Nevada law.

(d) After the occurrence and during the continuance of an Event of Default, Beneficiary shall have the right to enforce one or more remedies hereunder, successively or concurrently, and such action shall not operate to estop or prevent Beneficiary from pursuing any further remedy that it may have. Any repossession or retaking or sale of the Personal Property pursuant to the terms hereof shall not operate to release Trustor until full payment of the Secured Obligations and any deficiency has been indefeasibly made to Beneficiary in cash.

(e) Beneficiary may comply with any applicable state or federal law or regulatory requirements in connection with a disposition of the Personal Property and such compliance shall not be considered to affect adversely the commercial reasonableness of any sale of the Personal Property.

(f) After the occurrence and during the continuance of an Event of Default, Beneficiary may sell the Personal Property without giving any warranties as to such property, and may specifically disclaim any warranties of title, merchantability, fitness for a particular purpose or the like, and this procedure shall not be considered to adversely affect the commercial reasonableness of any sale of the Personal Property. Trustor acknowledges that a private sale of the Personal Property may result in less proceeds than a public sale.

(g) Trustor acknowledges that the Personal Property may be sold under Section 3.04(a) at a loss to Trustor and that, in such event, Beneficiary shall have no liability or responsibility to Trustor for such loss.

Beneficiary shall have the right to enforce one or more remedies hereunder, successively or concurrently, and such action shall not operate to estop or prevent Beneficiary from pursuing any further remedy that it may have.

3.05 Security Agreement. This Deed of Trust constitutes and shall be deemed to be a “**security agreement**” for all purposes of the Nevada Uniform Commercial Code and Beneficiary shall be entitled to all the rights and remedies of a “**secured party**” under the Nevada Uniform Commercial Code.

3.06 Fixture Filing. Upon its recording in the real property records, this Deed of Trust shall be effective as a financing statement filed as a fixture filing under the Nevada Uniform Commercial Code. As a fixture filing this Deed of Trust covers all assets of Trustor, whether now owned or hereafter acquired or arising and wherever located. In addition, a carbon, photographic or other reproduced copy of this Deed of Trust and/or any financing statement relating hereto shall be sufficient for filing and/or recording as a financing statement. The filing of any other financing statement relating to any personal property, rights or interests described herein shall not be construed to diminish any right or priority hereunder. 3.07 Authorization to File Financing Statements: Power of Attorney. Trustor hereby authorizes Beneficiary at any time and from time to time to file any initial financing statements, amendments thereto, and continuation statements with respect to the Trust Estate with or without the signature of Trustor as authorized by applicable law. For purposes of such filing, Trustor agrees to furnish any information reasonably requested by Beneficiary promptly upon request by Beneficiary. Trustor also ratifies its authorization for Beneficiary to have filed any like initial financing statements, amendments thereto, or continuation statements if filed before the date of this Deed of Trust. Trustor hereby irrevocably constitutes and appoints Beneficiary and any officer or agent of Beneficiary, with full power of substitution, as its true and lawful attorneys-in-fact with full irrevocable power and authority in the place and stead of Trustor or in Trustor's own name to execute in Trustor's name any such documents and to otherwise carry out the purposes of this Section 3.07, to the extent that Trustor's authorization above is not sufficient. To the extent permitted by law, Trustor hereby ratifies and affirms all acts said attorneys-in-fact shall lawfully do, have done in the past, or cause to be done in the future by virtue hereof. This power of attorney is a power coupled with an interest and shall be irrevocable.

ARTICLE 4
REMEDIES UPON DEFAULT

4.01 Events of Default. The occurrence of any default or event of default under the CVR Agreement or this Deed of Trust shall be an event of default under this Deed of Trust (each an "Event of Default").

4.02 Remedies Upon Event of Default. Upon the occurrence of an Event of Default, Beneficiary may, at its option, declare all or any part of the Secured Obligations immediately due and payable without any presentment, demand, protest or notice of any kind, subject to Nevada Revised Statutes Section 107.080. In addition, upon the occurrence of any Event of Default, Trustee and Beneficiary shall have the following rights and remedies in Sections 4.03 through 4.10.

Notwithstanding the foregoing, Trustee and Beneficiary shall have all powers, rights and remedies under applicable law whether or not specifically or generally granted or described in this Deed of Trust, including all rights and remedies of an assignee of rents under the Uniform Assignment of Rents Act, Nevada Revised Statutes Chapter 107A. Nothing contained herein shall be construed to impair or to restrict such powers, rights and remedies or to preclude any procedures or process otherwise available to trustees or beneficiaries under deeds of trust in the State of Nevada. Trustee and Beneficiary, and each of them, shall be entitled to enforce the payment and performance of any indebtedness or obligations secured hereby and to exercise all rights and powers under this Deed of Trust or the CVR Agreement or under any other agreement or any laws now or hereafter in force, notwithstanding the fact that some or all of the indebtedness and obligations secured hereby may now or hereafter be otherwise secured, whether by mortgage, deed of trust, pledge, lien, assignment or otherwise. Neither the acceptance of this Deed of Trust nor its enforcement, whether by court action or pursuant to the power of sale or other powers contained herein, shall prejudice or in any manner affect Trustee's or Beneficiary's right to realize upon or enforce any other rights or security now or hereafter held by Trustee or Beneficiary. Trustee and Beneficiary, and each of them, shall be entitled to enforce this Deed of Trust and any other rights or security now or hereafter held by Beneficiary or Trustee in such order and manner as they or either of them may in their absolute discretion determine. No remedy herein conferred upon or reserved to Trustee or Beneficiary is intended to be exclusive of any other remedy contained herein or by law provided or permitted, but each shall be cumulative and in addition to every other remedy given hereunder or now or hereafter existing at law or in equity. Every power or remedy given by the CVR Agreement and this Deed of Trust, to Trustee or Beneficiary, or to which either of them may be otherwise entitled, may be exercised, concurrently or independently, from time to time and as often as may be deemed expedient by Trustee or Beneficiary, and either of them may pursue inconsistent remedies. By exercising or by failing to exercise any right, option or election hereunder, Beneficiary shall not be deemed to have waived any provision hereof or to have released Trustor from any of the obligations secured hereby unless such waiver or release is in writing and signed by Beneficiary.

4.03 Entry; Appointment of Receiver. After the occurrence and during the continuance of an Event of Default, Beneficiary in person or by agent or by court-appointed receiver may, at its option, without any action on its part being required, without in any way waiving such Event of Default, with or without the appointment of a receiver, or an application therefor:

(a) Take possession of the Trust Estate or any part thereof and conduct tests of, manage or hire a manager to manage, lease, operate and sell or convey all or any part of the Trust Estate, on such terms and for such period of time as Beneficiary or a court-appointed receiver may deem proper, with full power to make, from time to time, all alterations, renovations, repairs or replacements thereto as may seem proper to Beneficiary;

(b) With or without taking possession of the Trust Estate, collect and receive all Rents, notify tenants under the Leases or any other parties in possession of the Trust Estate to pay Rents directly to Beneficiary, its agent or a court-appointed receiver and apply such Rents to the payment of:

(i) all costs and expenses incident to taking and retaining possession of the Trust Estate

(including the cost of any receivership), management and operation of the Trust Estate, keeping the Trust Estate properly insured and all alterations, renovations, repairs and replacements to the Trust Estate;

(ii) all taxes, charges, fees, claims, assessments, and any other liens which may be prior in lien or payment to this Deed of Trust and the CVR Agreement and premiums for insurance, with interest on all such items; and

(iii) the indebtedness secured hereby together with all costs and attorneys' fees, in such order or priority as to any of such items as Beneficiary in its sole discretion may determine, any statute, law, custom or use to the contrary notwithstanding;

(c) Exclude Trustor, its agents and servants, wholly from the Trust Estate;

(d) Take possession of all the books, papers and accounts of Trustor relating to the Trust Estate, at the expense of Trustor;

(e) Commence, appear in and/or defend any action or proceedings purporting to affect the interests, rights, powers or duties of Beneficiary hereunder, whether brought by or against Trustor or Beneficiary; and

(f) Pay, purchase, contest or compromise any claim, debt, lien, charge or encumbrance which in the judgment of Beneficiary may affect or appear to affect the interest of Beneficiary or the rights, powers and/or duties of Beneficiary hereunder.

Trustee or Beneficiary, as a matter of right with or without notice to Trustor or anyone claiming under it and without regard to the then value of the Trust Estate or the interest of Trustor therein or the solvency of Trustor, Company, Guarantor or any other person or entity liable for the Secured Obligations, shall have the right to apply to any court having jurisdiction to appoint a receiver or receivers to take charge of the Trust Estate or any portion thereof. Any such receiver or receivers shall have all of the usual and customary powers and duties of receivers in like or similar cases and all of the powers and duties of Beneficiary in case of entry as provided hereinabove, including the right to collect and receive Rents, and shall serve without posting a bond. All such Rents paid to Trustee or Beneficiary or collected by such receiver shall be applied as provided for in Section 4.03(b) above. Trustor for itself and any subsequent owner of the Trust Estate hereby waives any and all defenses to the application for such receiver and hereby irrevocably consents to such appointment without notice of any application therefor.

The receipt by Beneficiary of any Rents pursuant to this Deed of Trust after the institution of foreclosure or other proceedings under this Deed of Trust (other than payment constituting payment in full of the outstanding Secured Obligations) shall not cure any such Event of Default or affect such proceedings or any sale pursuant thereto. After deducting the expenses and amounts stated above in this Section 4.03, as well as just and reasonable compensation for all Beneficiary's employees and other agents (including reasonable and actual attorneys' fees and management and rental commissions) engaged and employed, the moneys remaining, at the option of Beneficiary, may be applied to the Secured Obligations. Whenever all amounts due under the CVR Agreement and under this Deed of Trust shall have been indefeasibly paid in full to Beneficiary and all Events

of Default have been cured and any such cure has been accepted by Beneficiary, Beneficiary shall surrender possession to Trustor. The same right of entry, however, shall exist if any subsequent Event of Default shall occur; provided, however, neither Trustee nor Beneficiary shall be under any obligation to make any of the payments or do any of the acts referred to in this Section 4.03.

4.04 Judicial Action. Beneficiary may bring an action in any court of competent jurisdiction to foreclose this instrument or to enforce any of the covenants and agreements hereof. The Trust Estate may be foreclosed in parts or as an entirety to the extent permitted by law.

4.05 Power of Sale. After the occurrence and during the continuance of an Event of Default, Beneficiary may elect to cause the Trust Estate or any part thereof to be sold under the power of sale herein granted in any manner permitted by applicable law. If Beneficiary should elect to foreclose by exercise of the power of sale herein contained, Beneficiary will notify Trustee.

Upon receipt of such notice from Beneficiary, Trustee shall cause to be recorded, mailed or delivered to Trustor such notice of default and election to sell as is then required by law and by this Deed of Trust. Trustee will, without demand on Trustor, after lapse of such time as may then be required by law and after recordation of such notice of default and after notice of sale has been given as required by law, sell the Trust Estate at the time and place of sale, in the county in which the Trust Estate is located, fixed by it in such notice of sale, either as a whole, or in separate lots or parcels, and in such order as it may determine, at public auction, to the highest bidder for cash in lawful money of the United States payable at the time of sale. If the Trust Estate consists of more than one lot or parcel, the lots or parcels may be sold separately, together or in any combination, and in such order as Beneficiary determines, at the sole discretion of Beneficiary. Trustor waives the right to direct the order in which the Trust Estate may be sold when it consists of more than one lot or parcel. Trustee shall deliver to such purchaser or purchasers thereof its good and sufficient deed or deeds conveying the property so sold, but without any covenant or warranty, express or implied. The recitals in such deed of any matters or facts shall be conclusive proof of the truthfulness thereof. Any person, including Guarantor, Company, Trustor or Beneficiary, may purchase at such sale. Beneficiary may credit bid the amount of the Secured Obligations toward payment of the purchase price.

To the extent permitted by law, Trustee may postpone the sale of all or any portion of the Trust Estate by public announcement at such time and place of sale, and from time to time thereafter may postpone such sale by public announcement at the time fixed by the preceding postponement or by subsequently noticed sale, and without further notice make such sale at the time fixed by the last postponement; or Trustee may, in its discretion, give a new notice of sale. Beneficiary may rescind any such notice of default at any time before Trustee's sale by executing a notice of rescission and recording the same. The exercise by Beneficiary of the right of rescission shall not constitute a waiver of any Event of Default, nor otherwise affect this Deed of Trust or the CVR Agreement, or any of the rights, obligations or remedies of Beneficiary or Trustee hereunder or thereunder.

4.06 Rescission of Notice of Default. Beneficiary, from time to time before Trustee's sale, public sale or deed in lieu of foreclosure, may rescind any such notice of breach or default and of election to cause the Trust Estate to be sold by executing and delivering to Trustee a written notice of such rescission, which notice, when recorded, shall also constitute a cancellation of any

prior declaration of default and demand for sale or such documents as may be required by the laws of the state in which the Real Property is located to effect such rescission. The exercise by Beneficiary of such right of rescission shall not constitute a waiver of any breach or Event of Default then existing or subsequently occurring, or impair the right of Beneficiary to execute and deliver to Trustee, as above provided, other declarations of default and demand for sale, and notices of breach or default, and of election to cause the Trust Estate, including the Real Property, to be sold to satisfy the obligations hereof, nor otherwise affect any provision, agreement, covenant or condition of the CVR Agreement or of this Deed of Trust or any of the rights, obligations or remedies of the parties hereunder or thereunder.

4.07 Beneficiary's Remedies Respecting Trust Estate. After the occurrence and during the continuance of an Event of Default, Beneficiary may realize upon the Trust Estate, enforce and exercise all of Trustor's rights, powers, privileges and remedies in respect of the Trust Estate, dispose of or otherwise deal with the Trust Estate in such order as Beneficiary may in its discretion determine, and exercise any and all other rights, powers, privileges and remedies afforded to a secured party under the laws of the state in which the Real Property is located as well as all other rights and remedies available at law or in equity.

4.08 Proceeds of Sales. The proceeds of any sale(s) made under or by virtue of this Article 4, together with all other sums which then may be held by Trustee or Beneficiary under this Deed of Trust, whether under the provisions of this Article 4 or otherwise, shall be applied, subject to applicable law, as follows:

(a) To the payment of the costs, fees and expenses of sale and of any judicial proceedings wherein the same may be made, including the cost of evidence of title in connection with the sale, compensation to Trustee and Beneficiary, and to the payment of all expenses, liabilities and advances made or incurred by Trustee under this Deed of Trust, together with interest on all advances made by Trustee at the Interest Rate, but limited to any maximum rate permitted by law to be charged by Trustee;

(b) To the payment of any and all sums expended by Beneficiary under the terms hereof, not then repaid, with accrued interest at the Interest Rate, as determined by Beneficiary, and all other Secured Obligations required to be paid by Trustor pursuant to any provisions of this Deed of Trust or the CVR Agreement or the Master Agreement, including all expenses, liabilities and advances made or incurred by Beneficiary under this Deed of Trust or in connection with the enforcement thereof, together with interest thereon as herein provided;

(c) To the payment of the entire amount of then due, owing or unpaid Secured Obligations, and any other obligation secured hereby; and then

(d) The remainder, if any, to the person or persons, including Trustor, legally entitled thereto.

4.09 Waiver of Marshaling, Rights of Redemption, Homestead and Valuation.

(a) Trustor, for itself and for all persons hereafter claiming through or under it or who may at any time hereafter become holders of liens junior to the lien of this Deed of Trust, hereby

expressly waives and releases all rights to direct the order in which any of the Trust Estate shall be sold in the event of any sale or sales pursuant hereto and to have any of the Trust Estate and/or any other property now or hereafter constituting security for any of the indebtedness secured hereby marshaled upon any foreclosure of this Deed of Trust or of any other security for any of said indebtedness.

(b) To the fullest extent permitted by law, Trustor, for itself and all who may at any time claim through or under it, hereby expressly waives, releases and renounces all rights of redemption from any foreclosure sale, all rights of homestead, exception, monitoring reinstatements, forbearance, appraisal, valuation and stay, and all rights under any other laws which may be enacted extending the time for or otherwise affecting enforcement or collection of any instrument under the CVR Agreement or under this Deed of Trust.

(c) To the fullest extent permitted by law, Trustor, for itself and all who may at any time claim through or under it, hereby expressly waives, releases and renounces all rights to assert any statutory or common law right of partition with respect to the Trust Estate and agrees not to assert any such right so long as this Deed of Trust is a lien on the Trust Estate.

4.10 Remedies Cumulative. No remedy herein conferred upon or reserved to Trustee or Beneficiary is intended to be exclusive of any other remedy herein or by law provided, but each shall be cumulative and shall be in addition to every other remedy given hereunder or now or hereafter existing at law or in equity or by statute. No delay or omission of Trustee or Beneficiary to exercise any right or power accruing upon any Event of Default shall impair any right or power or shall be construed to be a waiver of any Event of Default or any acquiescence therein. Every power and remedy given by this Deed of Trust to Trustee or Beneficiary may be exercised separately, successively or concurrently from time to time as often as may be deemed expedient by Trustee or Beneficiary. If there exists additional security for the performance of the obligations secured hereby, Beneficiary, at its sole option, and without limiting or affecting any of its rights or remedies hereunder, may exercise any of the rights and remedies to which it may be entitled hereunder either concurrently with whatever rights and remedies it may have in connection with such other security or in such order as it may determine. Any application of any amounts or any portion thereof held by Beneficiary at any time as additional security or otherwise, to any indebtedness secured hereby shall not extend or postpone the due dates of any payments due from Trustor to Beneficiary hereunder or under the CVR Agreement, or change the amounts of any such payments or otherwise be construed to cure or waive any default or notice of default hereunder or invalidate any act done pursuant to any such default or notice.

ARTICLE 5 MISCELLANEOUS

5.01 Change, Discharge, Termination or Waiver. No provision of this Deed of Trust may be changed, discharged, terminated or waived except in a writing signed by the party against whom enforcement of the change, discharge, termination or waiver is sought. No failure on the part of Beneficiary to exercise and no delay by Beneficiary in exercising any right or remedy under this Deed of Trust or under the CVR Agreement or under applicable law shall operate as a waiver thereof.

5.02 Trustor Waiver of Rights. Without limiting any other waivers herein and in addition to such waivers, Trustor waives, to the extent permitted by law, (a) the benefit of all laws now existing or that may hereafter be enacted providing for any appraisal before sale of any portion of the Trust Estate, (b) all rights of redemption, valuation, appraisal, stay of execution, notice of election to mature or declare due the Secured Obligations and marshaling in the event of foreclosure of the liens hereby created, (c) all rights and remedies that Trustor may have or be able to assert by reason of the laws of the State of Nevada, and (d) all surety and other defenses Trustor may have or be able to assert by reason of the laws of the State of Nevada or otherwise.

5.03 Reconveyance by Trustee. Upon written request of Beneficiary stating that all Secured Obligations have been satisfied in full, and upon surrender of this Deed of Trust to Trustee for cancellation and retention and upon payment by Trustor of Trustee's fees, Trustee shall reconvey to the person or persons, including Trustor, legally entitled thereto, without warranty, any portion of the Trust Estate then held hereunder. The recitals in such reconveyance of any matters or facts shall be conclusive proof of the truthfulness thereof. The grantee in any reconveyance may be described as "the person or persons legally entitled thereto".

5.04 Notices. All notices, requests, demands or other communications pursuant to the Deed of Trust shall be made at the addresses, in the manner and with the effect provided in Section 3.2 of the CVR Agreement or at such other address as shall have been furnished in writing by any party hereto to the party required to give notice hereunder.

5.05 Captions and References. The headings at the beginning of each article and section of this Deed of Trust are solely for convenience and are not part of this Deed of Trust. Unless otherwise indicated, each reference in this Deed of Trust to an article, a section or an exhibit is a reference to the respective article or section herein or exhibit hereto.

5.06 Invalidity of Certain Provisions. If any provision of this Deed of Trust is unenforceable, the enforceability of the other provisions shall not be affected and they shall remain in full force and effect. If the lien of this Deed of Trust is invalid or unenforceable as to any part of the debt, or if the lien is invalid or unenforceable as to any part of the Trust Estate, the unsecured or partially secured portion of the debt shall be completely paid before the payment of the remaining and secured or partially secured portion of the debt, and all payments made on the debt, whether voluntary or under foreclosure or other enforcement action or procedure, shall be considered to have been first paid on and applied to the full payment of that portion of the debt which is not secured or fully secured by the lien of this Deed of Trust.

5.07 Subrogation. To the extent that proceeds of the Secured Obligations are used to pay any outstanding lien, charge or prior encumbrance against the Trust Estate, such proceeds have been or will be advanced by Beneficiary at Trustor's request and Beneficiary shall be subrogated to any and all rights and liens held by any owner or holder of such outstanding liens, charges and prior encumbrances, irrespective of whether said liens, charges or encumbrances are released.

5.08 Attorneys' Fees. If any or all of the Secured Obligations are not paid when due or if an Event of Default occurs, Trustor agrees to pay all costs of enforcement and collection and preparation therefor (including reasonable attorneys' fees and expenses) whether or not any action or proceeding is brought (including all such costs incurred in connection with any bankruptcy,

receivership or other court proceedings (whether at the trial or appellate level)), together with interest therein from the date of demand at the Interest Rate.

5.09 Governing Law. The laws of the State of Nevada shall govern the validity, construction, performance, effect and enforcement of this Deed of Trust without giving effect to conflict of law principles. Any procedures provided herein for remedies shall be modified and replaced with, where inconsistent with or required by, any procedures or requirements of the laws of the state in which the Real Property is located.

5.10 Joint and Several Obligations. If this Deed of Trust is signed by more than one party as Trustor, all obligations of Trustor herein shall be the joint and several obligations of each party executing this Deed of Trust as Trustor.

5.11 Number and Gender. In this Deed of Trust the singular shall include the plural and the masculine shall include the feminine and neuter gender and vice versa, if the context so requires.

5.12 Counterparts. This document may be executed and acknowledged in counterparts, all of which executed and acknowledged counterparts shall together constitute a single document. Signature and acknowledgment pages may be detached from the counterparts and attached to a single copy of this document to form physically one document, which may be recorded.

5.13 No Merger of Lease. If both the lessor's and lessee's estate under any lease or any portion thereof which constitutes a part of the Trust Estate shall at any time become vested in one owner, this Deed of Trust and the lien created hereby shall not be destroyed or terminated by application of the doctrine of merger unless Beneficiary so elects as evidenced by recording a written declaration executed by Beneficiary so stating, and, unless and until Beneficiary so elects, Beneficiary shall continue to have and enjoy all of the rights and privileges of Beneficiary as to the separate estates. In addition, upon the foreclosure of the lien created by this Deed of Trust on the Trust Estate pursuant to the provisions hereof, any leases or subleases then existing and affecting all or any portion of the Trust Estate shall not be destroyed or terminated by application of the law of merger or as a matter of law or as a result of such foreclosure unless Beneficiary or any purchaser at such foreclosure sale shall expressly so elect. No act by or on behalf of Beneficiary or any such purchaser shall constitute a termination of any lease or sublease unless Beneficiary or such purchaser shall give written notice thereof to such tenant or subtenant.

5.14 Integration. This Deed of Trust and the CVR Agreement contain the complete understanding and agreement of Trustor and Beneficiary with regard to the Secured Obligations and supersede all prior representations, warranties, agreements, arrangements, understandings and negotiations regarding the Secured Obligations.

5.15 Binding Effect. This Deed of Trust shall be binding upon, and inure to the benefit of, Trustor, Trustee and Beneficiary and their respective successors and assigns. Trustor may not delegate its obligations under this Deed of Trust.

5.16 Time of the Essence. Time is of the essence with regard to each provision of this Deed of Trust as to which time is a factor.

5.17 Survival. The representations, warranties and covenants of Trustor under this Deed of Trust shall survive the execution and delivery of the Deed of Trust and the grant of the rights to Beneficiary pursuant to the CVR Agreement.

5.18 CVR Agreement Controls. This Deed of Trust and the CVR Agreement are intended to supplement and complement each other and shall, where possible, be thus interpreted. If, however, any provision of this Deed of Trust irreconcilably conflicts with a provision of the CVR Agreement, the terms of the CVR Agreement shall govern and control.

5.19 Intended Agreement. This Deed of Trust is the result of arms-length negotiations among parties of roughly equivalent bargaining power and expresses the complete, actual and intended agreement of the parties. This Deed of Trust shall not be construed for or against any party as a result of its participation, or the participation of its counsel, in the preparation and/or drafting of this Deed of Trust or any exhibit thereto.

5.21 Performance of Work. In the event of a failure of Trustor to perform any annual labor or improvement or timely provide evidence of the payment any annual maintenance fee or filing that may be required by law to prevent the forfeiture of any or all of the Mining Claims, including complying with the obligations of Section 1.15, Beneficiary may, without waiving any of Beneficiary's rights or remedies hereunder or under the CVR Agreement, perform such obligations, including the annual labor or improvement or pay such annual maintenance fee and make such annual filings, and the amount expended for such purposes shall be secured by this Deed of Trust as part of the Secured Obligations.

5.22 Trustee Provisions. Trustee accepts this trust when this Deed of Trust, duly executed and acknowledged, is made a public record as provided by law. The trust created hereby is irrevocable by Trustor. Trustee, upon presentation to it of an affidavit signed by or on behalf of Beneficiary, setting forth any facts showing a default by Trustor under any of the terms or conditions of this Deed of Trust, the Master Agreement or the CVR Agreement is authorized to accept as true and conclusive all facts and statements in such affidavit and to act hereunder in complete reliance thereon. Except as may be required by applicable law, Trustee shall be under no obligation to notify any party hereof of any action or proceeding of any kind in which Trustor, Beneficiary and/or Trustee shall be a party, unless brought by Trustee, or of any pending sale under any other deed of trust. The necessity of Trustee's making oath, filing inventory or giving bond as security for the execution of this Deed of Trust, as may now be or hereafter required by the laws of the state in which the Real Property is located, is hereby expressly waived.

5.23 Waiver of Jury Trial. THE PARTIES, TO THE FULL EXTENT PERMITTED BY LAW, HEREBY KNOWINGLY, INTENTIONALLY AND VOLUNTARILY, WITH AND UPON THE ADVICE OF COMPETENT COUNSEL, WAIVE, RELINQUISH AND FOREVER FORGO THE RIGHT TO A TRIAL BY JURY IN ANY ACTION OR PROCEEDING BASED UPON, ARISING OUT OF, OR IN ANY WAY RELATING TO THIS DEED OF TRUST OR ANY CONDUCT, ACT OR OMISSION OF ANY PARTY OR ANY OF THEIR RESPECTIVE DIRECTORS, OFFICERS, PARTNERS, MEMBERS, MANAGERS, SHAREHOLDERS, EMPLOYEES, AGENTS OR ATTORNEYS, OR ANY OTHER PERSONS AFFILIATED

WITH ANY OF THE PARTIES IN EACH OF THE FOREGOING CASES, WHETHER SOUNDING IN CONTRACT, TORT OR OTHERWISE.

5.25 Statutory Incorporation. Where not inconsistent with the above, the following covenants, Nos. 1, 2 (full replacement value), 3, 4 (Interest Rate), 5, 6, 7 (a reasonable percentage), 8, and 9 (other than the second sentence of such Covenant No. 9) of Nevada Revised Statutes Section 107.030 are hereby adopted and made part of this Deed of Trust.
