SPECIAL TRUST PROVISIONS:

1. This Deed is conveying title to one or more Trustees of a revocable, amendable, inter vivos trust.
2. In spite of this conveyance, any and all community property which is transferred to this Trust, if any, shall retain its character as community property both as Trust principal and after any subsequent distribution or withdrawal from the Trust; and any and all separate property of either Trustor which is transferred to this Trust, if any, shall retain its character as the separate property of that transferring Trustor, both as Trust principal and after any subsequent withdrawal distribution or from the Trust, even if the title to such separate property is held in the name more than one Trustee.
3. A change in the identity or number of Trustees may be established of record by an affidavit made by a person with personal knowledge reciting the reason for change. In the case of the death of a Trustee then holding record title to Trust real estate, a certified copy of deceased Trustee's death certificate must be attached to the affidavit.
4. Any successor Trustee shall, by the act of appointment, be vested with the prior Trustees' title to all Trust property automatically and without conveyance from the prior Trustee(s) or a deceased Trustee's personal representatives, heirs or devisees, to be established of record by the filing of the instrument of successor appointment. Except to the extent otherwise provided in the instrument of appointment, all successor Trustees succeed to all powers and duties of held by the prior Trustee.
5. One acceptable "act of appointment" of a successor Trustee shall be the acceptance of a nomination by a prior nominated Trustee, and in that case the "instrument of acceptance" shall be the document evidencing the acceptance of the nomination.
6. A full and unconditional termination of the Trust by the Trustor(s)' exercise of the power of revocation will automatically be deemed to be a full and unconditional reconveyance of all of the Trust property to the Trustor(s) exercising the power of revocation and the recordation of the instrument of revocation shall be the equivalent of a deed by the Trustee(s) to the Trustor(s) entitled thereto.
7. The Trust will terminate upon the occurrence of a termination event specified in the Trust Agreement, in effect at the time of such occurrence. At the time of termination, the Trustee(s) then in office have the duty to windup the Trust and distribute the assets to the persons or entities then entitled to such distribution in accordance with the Trust Agreement then in effect. There shall be no court supervision of the winding-up and distribution process. Distribution is to be accomplished by the Trustee(s), without court supervision and without third-party review of the unrecorded Trust Agreement (as

amended), by conveyance of the real estate of the Trust by Grant, Bargain and Sale Deed or other appropriate transfer document. No third party is required or allowed to go behind the Trustee(s)' distribution Deed to ascertain that the Trustee(s) complied with the distribution provisions of the Trust Agreement then in effect and all recitals in such distribution Deeds must be deemed conclusively correct by all third parties.

8. It is requested that all title companies insure good title in the distributee/s, and her successors in interest and assigns, based solely on the record title, including this Deed, the affidavits above referred to, and the Trustee(s)' Distribution Deed, and without going behind such Deeds or affidavits to review the Trust Agreement then in effect, or other non-record events, or otherwise.
