#### ROYALTY DEED AND AGREEMENT

This ROYALTY DEED AND AGREEMENT ("Deed") is made and entered into as of this 25<sup>th</sup> day of April, 2023 ("Effective Date"), by and between NULEGACY GOLD CORPORATION NV, a Nevada corporation ("Grantor"); and NULEGACY GOLD CORPORATION, a British Columbia corporation ("Grantee"). Grantor and Grantee may be referred to herein individually as a "Party" or collectively as the "Parties." Capitalized words not defined above are defined in various sections of this Agreement or in "Definitions" below.

In consideration of Ten Dollars (\$10.00) and other valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties agree as follows:

1. Grant of Royalty Interest. Grantor does hereby grant, assign and convey to Grantee an overriding royalty interest on the sales of ore, concentrates, precipitates, leach solutions, doré, or any other primary, intermediate or final metallic products (collectively, "Minerals") derived, mined or otherwise extracted from the unpatented mining claims, mill sites and fee land described in Exhibit "A" and the Idaho Claims (defined below), (collectively, the "Grantor Properties") payable on the terms and subject to the conditions specified below ("Royalty Interest"). The Royalty Interest shall be equal to two percent (2%) of the Gross Sales (defined below) of all Minerals extracted and sold from Grantor Properties. The Royalty Interest shall, with respect to Exhibit "A", run with the Grantor Properties and forever bind Grantor and its successors in title, corporate successors, and assigns, and with respect to the Idaho Claims, applies to any modifications, renewals, assignments or extensions of the Idaho Lease, or any new lease entered into by Grantor, its Affiliates, successor or assigns for the Idaho Claims within one (1) year of the expiration of the Idaho Lease.

2. Idaho Claims. By restated mining lease made and effective as of November 7, 2012, as amended January 1, 2016 and July 9, 2017 ("Idaho Lease") between Idaho Resources Corporation ("Idaho"), as lessor, and Grantor, as lessee, Idaho granted a mining lease to Grantor over certain unpatented lode mining claims situated in Eureka County, Nevada adjacent to and contiguous with the Grantor Properties defined in Exhibit "A" as set out in Exhibit "B" hereto (collectively "Idaho Claims") for the purposes of, inter alia, the exploration, development, mining and exploitation of minerals, metals and ores in, upon and underlying the Idaho Claims on the terms and conditions set out therein.

3. Area of Interest. Any mining claims, mineral properties or other interests subsequently acquired at any time by Grantor or an Affiliate of Grantor, which are, in whole or in part, (a) adjacent to and/or contiguous with the Grantor Properties (as constituted hereunder from time to time), and/or (b) within a five (5) kilometer radius of the Grantor Properties

(collectively the “Area of Interest”) shall become part of the Grantor Properties for purposes of this Deed, without necessity of the execution and delivery of an amendment to or supplementation of this Deed. Notwithstanding the foregoing, within thirty (30) days after the acquisition of any interest or the right to acquire any interest in claims or mineral properties wholly or partially within the Area of Interest, Grantor shall notify Grantee of such right or acquisition and provide Grantee with complete documentation of the acquired right or interest upon Grantee’s request. Grantor agrees to execute and deliver or cause to be executed and delivered to Grantee from time to time such amendments and/or supplements to this Deed or additional royalty deeds and/or other recordable instruments and to give such other assurances as may be reasonably required to give effect to the provisions of this Section 3.

4. Maintenance of Grantor Properties. Grantor shall maintain the Grantor Properties in good standing, including taking all actions necessary, and making such expenditures and investments as are required, to do so, including the timely payment of all annual maintenance fees and the performance of all required annual assessment work. In the event Grantor intends to abandon, not maintain or otherwise relinquish, permit to expire, or surrender any claims comprising part of the Grantor Properties (“Abandoned Interest”), Grantor shall provide Grantee at least ninety (90) days written notice prior to the proposed date of abandonment. If not later than ten (10) days before the proposed date of abandonment, Grantor receives from Grantee written notice that Grantee desires Grantor to convey the Abandoned Interest to Grantee (“Conveyance Notice”), Grantor shall, for an additional consideration of One dollar (\$1.00), convey the Abandoned Interest in good standing, without warranty, to Grantee, and shall thereafter have no further obligation to maintain title to the Abandoned Interest. Grantee shall pay, or promptly reimburse Grantor for the reasonable costs of such conveyance, including any applicable transfer tax or similar amounts. Any payment necessary to maintain the right, title and interest in the Abandoned Interest that becomes due and owing after receipt of the Conveyance Notice by Grantor shall be for the account of and an obligation of Grantee. If Grantee does not give such Conveyance Notice to Grantor as aforesaid, Grantor may abandon the Abandoned Interest and shall thereafter have no obligation to maintain the title to the Abandoned Interest; provided, however, that if Grantor subsequently acquires or reacquires any claims, leases or other property interests within the original area covered by the Abandoned Interest at any time following such abandonment, such property interest shall again be considered part of the Grantor Properties and the Production Royalty and the terms of this Agreement will apply in respect thereof. Grantor shall not abandon, fail to maintain, relinquish, allow to expire, or otherwise surrender any part or parts of the Grantor Properties for the purpose of permitting any third party to re-stake or acquire a claim or other right in respect thereof and avoid the Royalty Interest.

5. Payment. The Royalty Interest arising from the Gross Sales received by or credited to Grantor, shall be paid to Grantee or its designated Affiliate on a quarterly basis. Payment is due on or before the last day of the calendar month following the calendar quarter in which the Gross Sales were received by Grantor or credited to Grantor’s account. Grantor shall deliver to Grantee a payment by wire transfer in immediately available funds, together with a copy of the Grantor’s accounting and sales data related to such payment and such other information in reasonable detail as is standard and customary in the industry to explain the calculation of the Royalty Interest payment. Prior to making the first payment under this Agreement, Grantor shall request wiring instructions from Grantee. Grantor shall be entitled to

rely on Grantee's wiring instructions until such time as Grantee notifies Grantor in writing of different wiring instructions.

6. Audit Rights. Grantee has the right to audit the records related to the calculation of the Royalty Interest. The audit may only be performed once during any calendar year for the immediately preceding calendar year, by a licensed certified public accounting firm selected by mutual consent of the Parties and performed according to standards of the American Institute of Certified Public Accountants. Any audit under this Section may be conducted only after providing Grantor ten (10) days' advance written notice that Grantee intends to conduct an audit and shall be completed within ninety days (90) days after the end of the calendar year for which the audit is being conducted. Each audit shall be conducted during Grantor's regular business hours and in a manner that does not materially interfere with Grantor's operations. Grantee shall pay all costs of any such audit, unless an audit reveals an underpayment of a royalty payment in an amount that is five percent (5%) or more than the amount that Grantee was actually due, in which case, Grantor shall pay the costs of the audit. Any Royalty Interest calculation which Grantee does not audit in accordance with this Section will be deemed final and will not thereafter be subject to audit or challenge.

7. Inspections. Subject at all times to the workplace rules and supervision of Grantor, and provided any rights of access do not unreasonably interfere with any exploration, development, mining or processing work conducted on the Grantor Properties, Grantee and its representatives and agents, at reasonable times and upon reasonable notice and at Grantee's sole risk and expense, may access and physically inspect the Grantor Properties and any mining-related facilities or operations to monitor the mining and processing operations on the Grantor Properties, to confirm compliance with the terms and conditions of this Agreement, or to otherwise monitor and review mining and processing operations. Grantee may avail itself of such right of access a maximum of four (4) times per calendar year.

8. Affiliate Sales. Grantor shall be permitted to sell Minerals from the Grantor Properties to an Affiliate, provided that such sales shall be considered, solely for the purpose of computing Gross Sales, to have been sold at prices and on terms comparable to those that would be reasonably extended to an unaffiliated third party under similar circumstances, as determined by Grantor in good faith.

9. Commingling. After measurement of the Minerals on which a Royalty Interest is payable in accordance with sound metallurgical practices, Grantor may mix or commingle such Minerals with Minerals from other properties or projects; however, Grantor shall calculate from representative samples the metal content, the average grade of the metal content, the moisture content thereof, and other measures as are appropriate, and shall weigh (or calculate weight by volume) the Minerals before commingling, in each case using any reasonable procedures generally accepted in the mining and metallurgical industry which it, acting in good faith, believes suitable for the type of mining and processing activity being conducted. In addition, comparable procedures may be used by Grantor to apportion among the commingled Minerals all penalty and other charges and deductions, if any, imposed by the smelter, refiner, processor or purchaser of such Minerals. Grantor shall use the same procedures for each separate ore or other source before commingling. Grantor shall retain such representative ore samples and the written records of assays, moisture content, weights (or volumes as the case may be) and the content and

nature of penalty substances and any other measures made for not less than twelve (12) months after payment of the Royalty Interest with respect to such commingled Minerals from the Grantor Properties. Grantor shall deliver to Grantee a copy of Grantor's commingling plan not less than thirty (30) days before Grantor commences commingling of Minerals from lands and properties other than the Grantor Properties.

10. Royalty Runs with the Land. Nothing herein shall be deemed to create any ownership rights by Grantee in the Grantor Properties or Minerals that are mined from Grantor Properties, it being the intent of the Parties to create the Royalty Interest only. The Royalty Interest with respect to Exhibit "A" herein granted shall run with and burden the Grantor Properties in perpetuity, and with respect to the Idaho Claims, applies to any modifications, renewals, assignments or extensions of the Idaho Lease, or any new lease entered into by Grantor, its Affiliates, successor or assigns for the Idaho Claims within one (1) year of the expiration of the Idaho Lease. Nothing set forth herein shall obligate Grantor to develop, extract, produce or otherwise mine from the Grantor Properties any Minerals if, in Grantor's sole and exclusive judgment, it is not appropriate or feasible to do so.

11. Certain Defined Terms.

a. "Affiliate" of any Party means any Person, directly or indirectly controlling, controlled by or under common control with such Person. A Person shall be deemed to have control when such Person possesses the power, directly or indirectly, or has the power to direct or to cause the direction of, the management and policies of a Person through the ownership of voting securities, by contract or otherwise.

b. "Gross Sales" shall mean the gross revenue received by or credited to Grantor or an Affiliate of Grantor for sales of Minerals derived, mined or otherwise extracted from Grantor Properties and sold to third parties by Grantor (or any Person to whom Grantor subsequently transfers its interests in the Grantor Properties) after the Effective Date during a calendar quarter, exclusive of losses or gains from any and all price hedging and price protection activities undertaken by Grantor or its Affiliates with respect to any such Minerals or currency exchanges including without limitation, any forward sale and/or purchase contracts, option contracts, speculative purchases and sales of forward, futures and option contracts, both on and off commodity exchanges provided, however, that if the Grantor has sold Minerals forward for a fixed price or engaged in any hedging related activities, the Royalty Interest shall be calculated based on the average price during the reporting period as quoted by the COMEX HG, First Position, for copper and gold, or the average daily silver price quotation by Handy and Harman, as published in "Metals Week" (or, should that publication cease, another similar publication acceptable to the Parties, acting reasonably) calculated by summing such quoted prices reported for each day (or the average of all such prices reported for each such day, if more than one) and dividing this sum by the number of days for which such prices were reported. The calculation of the Royalty Interest shall be made in accordance with accounting principles and practices consistently applied in the mining industry in Nevada.

c. "Person" means an individual, a partnership, a corporation, an association, a joint stock company, a limited liability company or partnership, a trust, a joint venture or an unincorporated organization.

12. Miscellaneous Provisions.

a. Press Releases and Public Announcements. Except for the recordation of this Deed or as otherwise required by applicable laws or the rules and policies of any stock exchange upon which a Party's shares are listed, no Party shall issue any press release or make any public announcement relating to the subject matter of this Deed without the express written approval of the other Party, which such approval shall not be unreasonably withheld.

b. No Third-Party Beneficiaries. This Deed shall not confer any rights or remedies upon any Person or entity other than the Parties and their respective successors and permitted assigns, except as otherwise expressly stated herein.

c. Entire Agreement. This Deed, together with the royalty purchase agreement of even date between the Parties, constitutes the entire agreement between the Parties and supersedes any prior understandings, agreements, or representations by or between the Parties, written or oral, to the extent they relate in any way to the subject matter hereof.

d. Succession and Assignment. This Deed shall be binding upon and inure to the benefit of the Parties named herein and their respective successors and permitted assigns. No Party may assign either this Deed or any of its rights, interests, or obligations hereunder without the prior written approval of the other Party; provided, however, that either Party may (i) assign any or all of its rights and interests hereunder to one or more of its Affiliates or in connection with a merger, acquisition or assets sale, or (ii) designate one or more of its Affiliates to perform its obligations hereunder.

e. Counterparts. This Deed may be executed in one or more counterparts, each of which shall be deemed an original but all of which together will constitute one and the same instrument.

f. Headings. The section headings contained in this Deed are inserted for convenience only and shall not affect in any way the meaning or interpretation of this Deed.

g. Notices. Any notices, demands or other communications required or permitted to be given hereunder shall be given in writing and shall be delivered (i) in person, (ii) by certified mail, postage prepaid, return receipt requested, or (iii) by U.S. Express Mail or a commercial overnight courier that guarantees delivery within the next two (2) business days. Notices given hereunder shall be effective (i) when hand delivered, against written receipt, (ii) when sent by certified mail, the earlier of the actual date of delivery as evidenced by the return receipt or five (5) business days after the same is sent, or (iii) when sent by overnight courier, the earlier of the actual date of delivery or two (2) business days after the same is sent. Notwithstanding anything herein to the contrary, in the event delivery is refused, such notice shall be deemed effective as of the date the same was sent, as evidenced by written receipt therefore. Notices delivered pursuant to this Paragraph shall be deemed properly addressed if addressed as follows:

i. Amendments and Waivers. No amendment or waiver of any provision of this Deed shall be valid on any Party unless the same shall be in writing and signed by such Party. No waiver by any Party of any default, misrepresentation, or breach of warranty or covenant hereunder, whether intentional or not, shall be deemed to extend to any prior or subsequent default, misrepresentation, or breach of warranty or covenant hereunder or affect in any way any rights arising by virtue of any prior or subsequent occurrence.

j. Severability. For purposes of computing the time for performance of any obligation hereunder, however, Saturday, Sundays and legal holidays shall be included.

n. Incorporation of Exhibits. The Exhibits identified in this Deed are incorporated herein by reference and made a part hereof.

o. Attorneys' Fees. Except as otherwise specified herein, in the event of a dispute under this Deed, the prevailing party shall be entitled to payment of its reasonable attorneys' fees and costs in arbitrating or litigating the dispute.

p. Submission to Jurisdiction. Each of the Parties submits to the jurisdiction of any state or federal court sitting in the State of Nevada, in any action or proceeding arising out of or relating to this Deed and agrees that all claims in respect of the action or proceeding may be heard and determined in any such court. Each of the Parties waives any defense of inconvenient forum to the maintenance of any action or proceeding so brought and waives any bond, surety, or other security that might be required of any other party with respect thereto. Nothing in this Section 12(p), however, shall affect the right of any Party to bring any action or proceeding arising out of or relating to this Deed in any other court.

IN WITNESS WHEREOF, the Parties hereto have executed and delivered this Deed as of  
the date first set out above.
